Sweet peas in those shades were used as the center flowers, while lavender candles burned in sterling holders. The same color note was used in the nut cups and the colonial place cards.

ALL WOMEN WHO WORK

Whether in the home, store, shop, mill or office, they alone know how often they are really unfit for work. It may be a headache, nervous depression, cramps or those dreadful dragging down pains, all of which symptoms have their origin in some feminine ailment that is making life a burden. In almost every such case these ailments will yield to Lydia E. Pinkham's Vegetable Compound. For a great many years the simple root and herb remedy has been restoring women to health and strength and it will pay every suffering woman to try it.—Adv.

Russell Pratt, chairman of the Greater O. A. C. committee of Marion county, outlined the plans for the summer and coming school year. The next meeting of the O. A. C. club will be held in August and will be in charge of Russell Pratt, Ruby Drager and Richard Scheel.

The Senators were warming up yesterday at the Yankee stadium and Harris was talking.

He spoke to a big left hander on the bench next to him. "Tom, does your arm feel well enough to stand off the Yanks?"

"It feels fine and I'd like to pitch today," was the answer.

"Alright, Zachary will pitch today," said Harris.

The Yanks won and Washington lost the lead.

Chicago, July 24.—(A. P.)—A seed that may blossom into a meeting of aged Dempsey, world's heavyweight champion, and Harry Greb, world's middleweight titlist, in 10 rounds at Michigan City in September has been sown.

Chicago sports writers, meeting with Promotor Floyd Fitzsimmons last night decided Greb was the best available opponent for the heavyweight champion, who has said he could not be ready for Gene Tunney or Harry this year.

Assurances from both principals that they would accept such a match have been received by Fitzsimmons. The promoter has agreed to post \$50,000 guaranteeing to stage the contest. Dempsey would post \$25,000 and Greb \$10,000 if the negotiations were completed. Greb and his manager, Reddy Mason, will come here Monday to confer with Fitzsimmons. Dempsey said he would return to Chicago within two weeks to start training for the bout if it were arranged, when he passed through Chicago recently en route to the coast.

The bout would be staged either September 19 or 25 at Michigan City.

"And Dutch Reuther, discarded by the Cincinnati and Brooklyn clubs, is pitching over .600 for us. Ruel, Peck and Scott were all cast adrift from the Yankee payroll and I'll leave it to you to decide which of Ruel and Peck earned their salaries in the last year's series."

"I cast my lot with the veterans this year, because I have every confidence in every man on that field. As far as I know now, I'll drift along next season with practically the same force."

CLAIM CURZON'S WILL KEPT DARK

London, July 24.—(AP)—Today's Morning Post launched a sensational story that part of the will of Marquis Curzon was suppressed in the interest of the reputation of some of his political colleagues, upon whom the famous statesman is said to have commented with great freedom.

The portion alleged by the Post to have been suppressed is said to have been a "literary testament" and mentioned particularly a former member whose name is withheld. Suppression of the testament will, it is declared, avoid "a rude shock to public faith in a man who rendered conspicuous service to the state."

The Post says it is unable to hazard a guess as to the premier referred to by Lord Curzon but it is recalled that the Marquis served

RANKS OF CHINESE STRIKERS BREAKING

Canton, China, July 24.—(A. P.)—A shift in the drift of sentiment in the anti-foreign strike of Chinese was apparent today when

mechanics forming a larger portion of the striking unions, endeavor to end the walkout. Previously, sentiment was solid for a continuation of the strike.

A rumor that the Chinese planned attacks against Shamesen, the foreign colony, brought precautionary measures in the settlement today.

The U. S. S. Helena was proceeding today to Payhol and other coast ports to bring refugees to Canton.
