

ALL ATHLETIC CHAMPIONSHIPS HELD IN SALEM

Records made during the past year by all schools in the Salem public school system is contained in a written report to be submitted to the school board by George Hug superintendent, at tonight's meeting of the board.

The report will show that enrollment in senior high school has increased 36 1/2 per cent in the past 5 years. Enrollment at the close of the past year was 1930, of which 504 were boys and 536 girls. The total enrollment estimated for next year is 1175. There are 45 teachers in the high school, of whom 9 are men and 36 women. At the close of the past school year the tenure of teachers in their positions was as follows: 5 or more years, 15 teachers; three or more years, 22 teachers; two or more years, 35 teachers; one or more years, 45 teachers.

Champion Athletes

In student activities the report will show that high school teams have been practically undefeated in athletics. The football team suffered but one defeat, that one to Corvallis. In basketball Salem won the state championship and went to Chicago. In baseball the team won all high school games; in tennis there were no defeats; the Salem team winning the valley championship. In golf it was the same story. Further honors include the district championship in debate, the winning of two out of 6 state prizes in a nation wide essay contest, winning the individual Oregon state championship in typing and placing first over all other schools in the state in the quality of student annual publications.

The report contains recommendations as follows: 1—Complete physical education program for all boys and girls. 2—Need of additional classrooms. 3—Appointment of a dean of women for the high school girls. 4—Increased capacity for the high school auditorium, which at present will not take care of the entire student body.

The high school report was prepared from a report submitted by J. C. Nelson, high school principal.

In Junior High

In junior high schools the Parrish school reports an enrollment of 927 at the close of the past year, 434 of the number being boys and 443 girls. Enrollment by grades was as follows: 7th, 273; 8th, 284; 9th, 271. Thirty-five teachers were employed at the Parrish school during the year, 7 being men and 28 women. Classification of teachers according to preparation was: Teachers with degrees, 11; without degrees but with two or more years of college work, 9; normal school graduates, 12; below normal school graduates, 2.

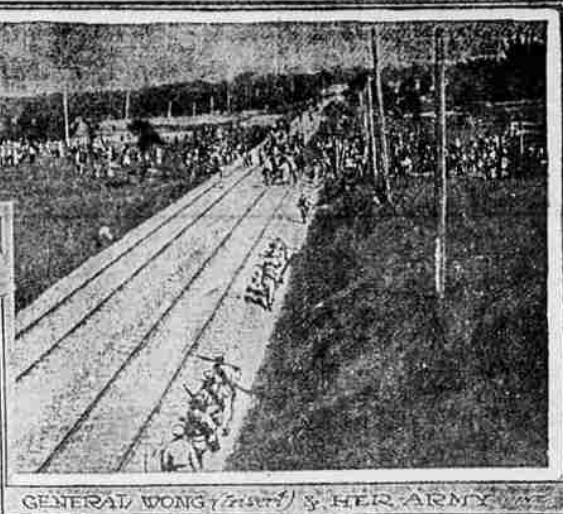

The report is compiled from one submitted by H. F. Durham, principal.

The attainments of McKinley Junior high school students, as enumerated in the report of La Moine R. Clark, principal, include the winning permanent possession of the Wallace trophy by the Latin students, attainment of highest standing in the city by the algebra classes, winning of a bicycle parade and winning of numerous penmanship and essay prizes.

The report contains a recommendation for an art department, a shop course and a course of lectures for the teachers.

Achievements of the various grade schools throughout the city, and recommendations for improvements, are also contained in Mr. Hug's report.

Chinese Army Led by Woman General

GENERAL WONG (Inset) & HER ARMY

"The Joan of Arc of China" General Wong (inset), has charge of an army of Kwangtung soldiers, some of whom are shown in the photo. They suffered heavy losses in the attack upon Cantonese troops, during which American marines were landed and gunboats stood by.

WASHINGTON SCHOOL TO BE KEPT CLOSED

After definite decision and announcement to the contrary, the Washington school building will be kept closed next fall, if recommendation to be made by Superintendent George Hug at tonight's meeting of the school board is adopted by the board. Mr. Hug yesterday completed a careful computation of the expected enrollment throughout the Salem public school system next fall and worked out ways and means of caring for all students in the buildings now in use.

It would cost at least \$2000 to get the building into any kind of condition fit for use," said Mr. Hug yesterday. "To get the school repaired as it should be it would cost \$10,000 or \$15,000."

He estimates that there will be only a few more pupils enrolled next fall over the number last spring than in the fall.

It may become necessary to open the Washington building at the beginning of the second semester next year, but Mr. Hug will advocate waiting until the time approaches when he can determine building needs more definitely.

NEW INCORPORATIONS

Under the blue sky act the following permits were issued: Going Furniture company, Portland, to sell stock in the sum of \$50,000; Home Independent Telephone company, La Grande, to sell bonds in the sum of \$175,000; Portland Bond & Share company, to operate as stockbrokers.

ST. PAUL ASKS FOR ADOPTION OF FAIRFIELD ROAD

In a communication addressed to the state highway commission, with a copy sent to the county court, the city council of St. Paul includes resolutions which it has adopted, declaring unanimously in favor of the Fairfield route in the development of the market road from Salem to St. Paul. Those signing the resolution are J. L. Cook, mayor, D. L. Van de Wiele, recorder, and P. A. Bernard, C. A. Davidson, C. H. Ernst and L. M. Simon, councilmen.

The resolutions follow:

"Whereas, St. Paul and vicinity are seriously injured for want of proper transportation, and thereby handicapped in their efforts to progress in their several enterprises due to being isolated, away from any main route of transportation, being eight miles from a railroad point and no auto bus or freight service due to not having a proper connection south with our road system; and

"Whereas, We are convinced that we can only obtain relief for St. Paul and vicinity in having a through route connection from St. Paul south to Salem; therefore be it

"Resolved, That we endorse the proposed Salem, Fairfield, St. Paul, Newberg market road as designated by the honorable county court of Marion county, and we respectfully request you to accept it as part of the state highway system, it being the shortest possible route from Salem to Portland and the only means of giving this large district the benefit of any freight and passenger transportation."

educational work at the state tuberculosis hospital. Mrs. French is making her home at the residence of Professor and Mrs. E. C. Richards during their absence in Berkeley, California.

Dr. and Mrs. L. G. Altman left today on the Shasta Limited for Los Angeles, where they will spend the month of August as the guests of their daughter, Mrs. Alta Martin.

The Past Matrons' association

of Salem entertained recently with a picnic at Graber's park. Mrs. E. M. LaFore was chairman of the committee in charge of the affair.

Miss Ruth Bedford, one of Salem's prominent pianists, has been accorded the distinction of receiving a year's scholarship to the Bush Conservatory in Chicago. She will study with Edgar Nelson, well known professor of piano. While in Chicago she will be domiciled in the dormitory of the school with other artist students throughout the country.

Miss Bedford received the honor of a scholarship a year ago, but was unable to accept it at that time. She plans to leave for Chicago in company with Miss Lucille Emmons and Miss Marion Emmons early in September. She is the daughter of Mr. and Mrs. J. R. Bedford of West Salem.

Irene Nash is enjoying a few days vacation in Portland as the guest of friends.

Mrs. Ethel Ritter accompanied by her son, Junior, left last evening for Seattle where they will spend the week.

Mr. and Mrs. I. D. Bennett of Labish district entertained over the week end their daughter, Miss Marie Bennett and Mrs. Lucy S. Luce, past president of the Oregon department, Daughters of Veterans, Mr. Luce and Miss Caroline Sherer, all of Portland.
