WEAK, RUN-DOWN NERVOUS, DIZZY

Mrs. Lee Suffered From All These Troubles, but Lydia E. Pinkham's Vegetable Compound Made Her Well

Terre Haute, Indiana.—"I was weak and run-down and in such a nervous condition that I could hardly do my work. I was tired all the time and dizzy, had no appetite and could not sleep. I tried different medicines for a year but they did not help me. Then my husband saw the ad. for Lydia E. Pinkham's Vegetable Compound and I bought a bottle. I regained my strength and never felt better in my life. It completely restored me to health. I had practically no suffering when my baby boy was born and he is very strong and healthy. I know that the Vegetable Compound is the best medicine a woman can take before and after child birth for health and strength. I would be willing to answer letters from women asking about the Vegetable Compound."—Mrs. Wm. J. Lee, Route E, Box 648, Terre Haute, Indiana.

Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all these troubles.

For all these troubles.

For all these troubles.

Your Fear of lost daintiness . . . at times

This new way, that scientifically solves woman's oldest hygienic problem, will end it

THERE is now a way in personal hygiene that is safe and sure. That warrants immaculacy under any and all conditions.

The old-time sanitary pad has been supplanted . . . scientifically.

Wear your lightest silks, your daintiest frocks without a second thought. Dance, motor, accept social invitations, any day, every day. Live your life unhandicapped.

The name is Kotex. It's made of cellulociton, the war's great absorbent.

It absorbs 16 times its own weight in moisture—5 times that of the ordinary cotton pad!

It is as easily disposed of as a piece of tissue—ending the old embarrassment of disposal.

It is deodorized. And that prevents danger of offense.

It's at every drug store, every department store. You ask for it, without hesitancy, under its trade name of "Kotex."

8 in 10 women of the better classes have adopted it. Doctors urge it. Hygienic authorities employ it.

It will mean much to you . . . will make a great difference in your life. Going on with old ways is a folly.

KOTEX DEODORIZED

1. Protection: 5 times as absorbent as cotton pads. Absorbs 16 times its own weight in moisture—and is scientifically deodorized.

2. No laundry. Discard as easily as a piece of tissue.

3. Easy to buy, anywhere. You ask for them by name. Many stores keep them ready-wrapped—help yourself, pay the clerk, that's all.
