PROBE LYNCHING OF NEGRO BY MISSOURI MOB

Excelsior Springs, Mo., Aug. 8.—(AP)—Officials of Clay county have indicated that no investigation will be made of the lynching here yesterday of Walter Mitchell, 32, negro, who was taken from jail by a mob and hanged to a tree. The negro was lynched following his identification by a young woman as her assailant late Thursday night, while she and Leonard Ott, 19, were returning in a motor car to the girl's home after a party.

"We feel that justice has been done," Ray Cummings, county prosecutor said. "Of course, the method was crude, I would have preferred that the negro could have been hanged legally and I am convinced that it would have been done."

As they were preparing to hang Mitchell mob leaders asked him if he had anything to say.

"Yes, I'm guilty," he replied, according to members of the mob.

Fifty Kansas City policemen rushed to the place armed with riot guns, arrived fifteen minutes too late. They recovered the body and turned it over to the coroner. Passengers on a train running between Excelsior Springs and Excelsior Springs Junction, witnessed the hanging. The train was forced to stop when the mob swarmed over the tracks, and passengers crowded the steps and windows.

The lynching caused an exodus of negroes from Excelsior Springs. Last night it was reported that of the approximately 100 negroes who lived in and near the town, had gone to Kansas City. Authorities here, however, say no trouble is expected between the races.

WANT ZEPPELIN FOR COMMERCE

Swampscott, Mass., Aug. 8.—(A. P.)—A request for use of the Los Angeles, navy air ship in commercial aviation, was presented to President Coolidge today by John Hays Hammond Jr.

Speaking for a company interested in the scheme, Mr. Hammond placed before the executive a tentative program for extensive developments of commercial aviation.

The program calls for the use of the Los Angeles between New York and Chicago and perhaps farther west with the ship manned by its regular crew.

Secretary Hoover attended the conference and the president directed that he and the secretary of war and navy further study the proposition. The government has given its approval to the general policy of adding in the development of commercial aviation.

DIVORCED, RE-WED WITHIN MONTH

Dallas, Or., Aug. 8.—To be divorced and re-married within two days less than a month was the experience of William H. Adams of Sutherlin and Louisa J. Adams of Independence revealed here Wednesday when the couple applied for a marriage license from County Clerk Black.

The couple were divorced on July 7 in Polk county. Adams, who is 53 years of age, is making his third trip to the altar, and Mrs. Adams, 59, is on her fourth.

The law provides that six months must elapse before a divorced person may re-marry, but the remarriage of divorced persons has been provided for without requiring that lapse of time.

Two marriage licenses were issued the past week by County Clerk Black. One was to John R. Middleton, Dallas, and Marcella G. Sharpe, Newberg, the other to William H. Adams, Sutherlin, and Louisa J. Adams, Independence.

The 1925 session of the state legislature removed the provision that previously had required couples to secure a license in the county in which the bride resides, but the Middleton-Sharpe license is one of the few issued to date in Polk county where the bride was from another county.

ANNUAL FLAG DAY TOURNEY

Tomorrow the annual flag day tournament will be held at the hill country club. The meet will be open to all members of the club and the entrance fee will be one golf ball. Each entrant will be given a flag which he will use in accordance with the flag day rules. Taking the official handicap and adding it to the par score of the grounds, which is 74, he will play until he has used up the number of strokes allowed him and then place his flag where the ball lies at the last stroke. It is expected that a large number of the members will turn out for the tournament.

Interest has been keen this year and from all appearances the year will be a banner one. Last year interest lagged but with the green in perfect shape with the warm

5 IN FAMILY BURN TO DEATH

Central Valley, N. Y., Aug. 8.—(A. P.)—Five members of a family of several persons were burned to death early today in a fire which destroyed their home on a farm one mile from here.

Harry Hall, a farmer and head of the family, and his son, Russell, 29, escaped.

The dead: Mrs. Clara Hall, 39; Harold Hall, 17; Gladys Hall, 19; Viola Hall, 6; Evelyn Hall, 6 months.

The fire broke out from an undetected cause in the Hall farm house shortly after 5 o'clock this morning. The farmer was awakened at that time by smoke and jumped to the ground from the first floor of the home. Once outside the house he was unable to gain entrance. The flames spread rapidly.

New OAKLANDS \$70 to \$350 Lower

In these five new motor cars, striking beauty is combined with performance such as you have never experienced. Acceleration, power, speed, four-wheel braking—all are a revelation. Too, a new thrill of unmatched freedom from vibration at all speeds is imparted by the Harmonic Balancer—an exclusive Oakland feature. Oakland has produced an even better Oakland Six—even further in advance of its field—then crowned this achievement by pricing its cars from \$70 to \$350 lower.

There's No Strict Rules For Success

Prominent men of the country, in telling the story of their climb to success, say it is impossible to lay down strict rules for others to follow.

But they are all agreed upon this fact—that a good banking connection is a necessity and the sooner it is made, the better it is for the ambitious individual.
