

STATE OFFICERS OF YEOMEN WILL HOLD MEET HERE

More than forty representatives of the field department of the Brotherhood of American Yeomen of Oregon will gather in Salem next Friday and Saturday, including the state officers and other active members of the order throughout the state. Friday afternoon and evening will be devoted to registering and making preparations for the main meeting of the convention that convenes Saturday morning at eight o'clock in fraternal hall. State Manager J. H. Ezell of Portland will preside at the meeting.

One of the special features at the meeting will be to unite the entire field force of the state and the state officers of the society in a statewide membership campaign, the outcome of which will be a visit of the entire Oregon force to the home coming convalescence next spring at Elgin, Ill. where the Yeomen's five million dollar children's school home has recently been established.

Plans are already being worked out for the Oregon delegation to make the trip in an auto caravan. In addition to this trip, plans will be perfected for four large joint meetings in the state this fall where large class adoptions of new members will be admitted into the order and also the conferring of the Rhodamantus

degree of the society on more than 150 candidates now waiting for this supreme degree.

Saturday night the state officers, field workers and many other members from all parts of the state will meet with State lodge in a class meeting, the degree staff of Silverton exemplifying the degree work, assisted by the Salem guard team.

Official representatives from Salem will be C. E. Albin, state master of accounts for the society, and A. L. Bones, district manager.

BAILEY WINNER IN SUNDAY PLAY

The annual flag day tournament held at the Illheer country club Sunday was a great success, according to Graham Sharkey, professional of the club. A. C. Bailey was winner of the event, carrying his ball around the holes and ending up on the first green again. When he finished up at the home tee, he still had three strokes left over which carried him to the edge of the first green. F. A. Elliott, state forecaster, finished up at the home tee with three strokes left over. The three strokes only carried him about 180 yards from the green of the first tee.

Tom Woodruff made a good showing by driving 269 yards, the longest drive of his career. Several other good drives were made during the course of the meet. Most of the rest of the players finished up on the last green or the last fairway. Sixteen members of the

club entered the meet. Next Sunday the local club will meet the strong Albany team on the Illheer course. Albany has a strong team and the locals will have to practice hard to get a win over them. Several other meets have been arranged by Rex Sanford, for the coming two months.

LOOK OUT FOR SELF POISONING

Neglect of the liver results in self poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation. Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.—Adv.

FREE! This Coupon is Good for Sample Bottle of Dr. Thacher's Liver & Blood Syrup if presented before the supply for free distribution is already given away. Read the full details above, then act at once, as this offer is limited. Get a trial size now by presenting this coupon to J. C. Perry's Drug store, Salem. Conrad Statrin, Dallas, Gen. W. Steelhammer, Silverton.

Infected Teeth Are a Menace to Health

VERY many people have infected teeth without knowing it. The tooth roots are often diseased and still there may be no pain or any outward sign of trouble.

Doctors say that hundreds of cases of inflammatory rheumatism, chronic stomach troubles, Bright's disease, nervous diseases, epilepsy and even insanity are caused by infected teeth. Some go so far as to declare they are the greatest danger to health today.

If your health is not as good as it should be, the cause may be infection at the tooth roots, where poisonous pus forms and is taken up by the blood and carried all through the system. Have your teeth thoroughly examined by Registered Dentists using the E. R. Parker System. Their offices are fully equipped with X-Ray machines for making careful examinations, and their experience fits them to give advice that is well worth having. Your health depends so much upon your teeth that delays are dangerous and costly. Consultation and advice free.
