California Group Guests At Dinner

Mr. and Mrs. Thomas W. Holman were hosts at an attractive dinner in their country home last night honoring a group of California guests who have been spending several weeks with old friends in Salem.

Petunias, anemones, asters and a variety of other summer flowers in shades of purple, wisteria and burnt orange centered the dining table with covers laid for Mrs. Edward Thielson, Mr. and Mrs. Fred Meyers, Mr. and Mrs. Stanley Reed, Miss Alice Swartz, all of San Francisco, Mr. and Mrs. Joseph Knapp of Portland, Mr. and Mrs. A. N. Dalrymple, and the hosts, Mr. and Mrs. Holman.

In the evening a large group of old friends of Mrs. Thielson and Mr. and Mrs. Meyers joined them. They left Salem about ten years ago and have made their home in San Francisco since that time. One of the most delightful features of the week end was the officers' reception and ball given in honor of Brigadier General and Mrs. Joseph E. Kuhn, who were visiting the camp at this time.

Mrs. Skiff National Delegate

The Salem War Mothers will be represented by Mrs. Mark Skiff at the national convention in Philadelphia on September 5-9, according to the decision reached by the local group at a meeting in the chamber of commerce auditorium yesterday afternoon. It is also possible that Salem may have a second representative in Mrs. R. J. Hendricks, the state war mother.

The convention in Philadelphia next month will be the fifth national convention of the organization. Every state in the union will be represented. Oregon has four chapters—two in Portland and one each in Albany and in Salem.

Salem was hostess to the state convention several months ago. At this time Mrs. Hendricks was chosen to head the Oregon group. Last month the local chapter had the honor of entertaining the national war mother, Mrs. Margaret McCluer of Kansas City. This was her first trip west and from Salem she went directly to Sacramento.

At its closed members' meeting today the Women's Advertising club will discuss the relative merits of maintaining its affiliation with the national and Oregon Federation of Business and Professional Women's clubs, and of affiliating with the Associated Advertising clubs of the World, which convention she attended here in 1923, is a Portland visitor. Mrs. Blodgett, who recently presented to Vassar college a gift of \$550,000, is keenly interested in the development of a modernized education for women, and her gift of half a million will go to the erection of a eugenics building, the additional \$50,000 serving as an endowment fund for its support. This is the largest single gift, announced President Henry Noble McCracken, on its receipt, since Vassar was founded 64 years ago.

Portland members of the American Association of University Women will recall Mrs. Blodgett's important share in the launching of the clubhouse campaign, during the Portland convention in the summer of 1923.

Mr. and Mrs. Marlon Putnam and daughter, Helen, have returned from a two weeks' vacation at Rockaway.

FILM COMEDIAN ORDERED TO BED

He had been ordered to stay in his room at the Ritz-Carlton hotel at least until Saturday. A string of social engagements had been cancelled, including a dinner which was to have been given in his honor tonight by Conde Nast. The dinner had been postponed until next week.

Mr. Chaplin's assistant, Henri D'Arrest, said yesterday that though the comedian's temperature was 102 last Monday, but no complications have set in and all he needs is rest. Mrs. Chaplin, who is in Hollywood with their young son, was assured by wife, Mr. D'Arrest said, that her husband's condition was not serious.

Dr. J. B. McKenzie said Chaplin worked too hard getting his latest picture ready for production here after a long trip from the coast.

Strength

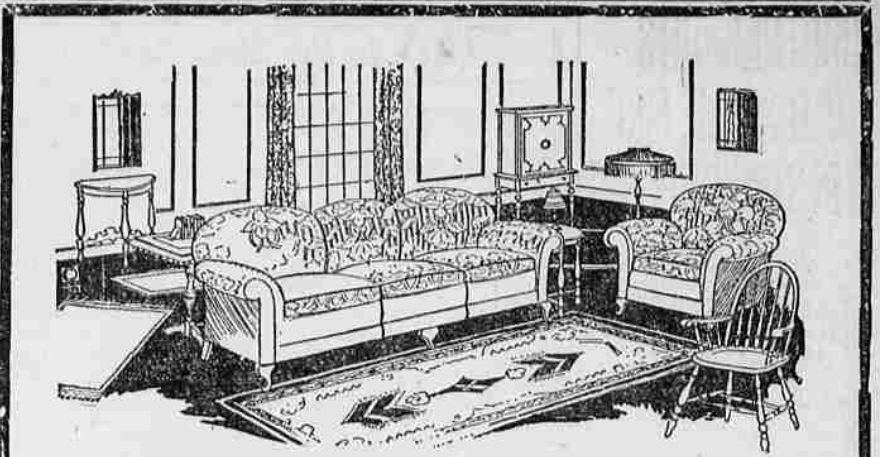

—brings joy to you and your friends.

EVERY man, woman and child wants to have strength and correct weight. It means the joy of living. To be minus strength and underweight often proves low fighting-power in the body. It often means you are minus nerve-power, minus red cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S.S.S., since 1828, has meant to thousands of underweight men and women a plug in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body.

More red-blood-cells! S.S.S. aids Nature in building them! By the million! There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today. It will give you more energy, vitality and vigor and a more up and going appearance.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.
