Active Summer Closes

This week practically closes one of the busiest summers seen in Salem since war time when every day was crowded to the full. There were scores of picnics, long motor trips, and garden teas for those who kept their town houses open. Other families who have spent one, two, and even three entire months at their beach homes will be coming in during the next week with brimming energy for the winter season ahead. September to Marion county means color, crisp days and fair time, and is a favorite month for the entertainment of visitors from other parts of the state.

August is fast rivaling June as the bride's month. Each week of the month has welcomed two, three, or more Salem brides and the past week was no exception. Two lovely home weddings were solemnized on Tuesday—that of Miss Alice Boock to Glen Gorton, and the wedding in the lovely Currie home in Waldo hills of Miss Helen Currie to John Alms. Miss Trista Wenzler, chosen best first Christian church as the scene of her wedding to Treval Powers on Wednesday and a beautiful church wedding it was tomorrow Miss Bertha Vick and Roy Jacobson will be married in the Vick home on the Garden road.

In musical circles a number of informal affairs ranging from musicales to home parties have been given for the young artists who have returned recently from study abroad or who will leave soon to continue their studies. Sorority girls have given a number of affairs for "rushes" and are planning even more attractive luncheons and teas.

Lydia E. Pinkham's Vegetable Compound Helped Her from Sickness to Health

Ellensburg, Washington—"When I was first coming into womanhood I suffered terribly every month. My mother did everything she could think of, so she took me to several doctors and they only helped me a little. Mother was talking to another lady about my condition and she told me of Lydia E. Pinkham's Vegetable Compound. Mother got me six bottles and at the end of the first month I was much better, so I kept on taking it until I had no more pain. When I got married and had my first child I was in terrible pain so that it was impossible for me to do my housework. I thought of how the Vegetable Compound had been of so much benefit to me when I was a girl, so I went to Perier's Drug-Store and got six bottles. It sure did help me and I still take it. I am a well woman today and I can't say too much about Lydia E. Pinkham's Vegetable Compound. I will answer my letter that comes to me to answer about what your medicine has done for me."—Mrs. WILLIAM CARVER, R. F. D. No. 2, Ellensburg, Wash.

Small, Red Pimples Hurt Badly and Itched a Great Deal.

"I was bothered with small, red pimples on my forehead and scalp. They were hard and sometimes hurt quite badly. At first I paid no attention to them but they kept getting worse and itched a great deal. I read an advertisement for Cuticura Soap and Ointment and sent for a free sample. Later I purchased more, and after using two cakes of Cuticura Soap and one box of Cuticura Ointment I am completely healed." (Signed) Harold Meisterling, R. F. D. 1, Peotone, Ill., April 3, 1925.
