## INDIAN SCHOOL REGISTRATION GETS UNDER WAY

Chemawa, Sept. 1.—Registration in preparation for the opening of the Chemawa Indian school is taking place this week and the class room work at the school will start the latter part of the week or the first of next, according to announcements made at the school. Most of the children attending the school last year are back this year and it is expected to have a large attendance.

There will be no new registrations from Alaska this year, however, as the ruling made by the department of the interior some time ago will go into effect. The ruling when first made allowed no more Alaskan children to register in the states for last year's term but this was extended and now new ones are allowed to come up to this year. Schools are being built to care for the children in

Alaska. The ruling will not have much effect this year or the next. It is thought as those now registered are allowed to remain for the finish of their high school course and college, if they wish.

Alaskan children who are now in attendance at the Indian school are not allowed to go home now and return unless they pay their own fare both ways.

The extension of the course at the Indian school will also take effect this year. Last year it was allowed by the officials in Washington to extend the course to take in the last two years in high school. In former years the course only took the first two years in high school and the remaining two years were taken in the Salem high school. Last year was the first in several that there was no graduation exercises at the Indian school.

Many of the old students are arriving on the different trains although the most of the students are here. Other students who do not arrive for the first of the term will arrive about the first of October after the fair and the harvesting is finished.

## PIONEER WOMAN DIES AT EUGENE

Eugene, Sept. 1.—Mrs. Annie B. LaRaut, pioneer of Douglas county for more than a half century, and resident of Eugene for the last 18 years, died at 12:50 o'clock Saturday afternoon at the home of her daughter, Mrs. R. A. Booth, 1172 Oak street. She was 86 years of age.

Mrs. LaRaut was born December 24, 1838, Fulton county, Illinois, and crossed the plains by ox team in 1853 with her parents, Mr. and Mrs. Alva Rowley, who later settled in Coos county. She was married March 16, 1856, to Narcisse LaRaut, who died January 27, 1907.

Of this union 11 children were born, of whom seven survive. They are as follows: Mrs. Waldo J. Adams and Mrs. R. A. Booth of Eugene; Mrs. Genevieve Marsters, Stephen A. LaRaut, Narcisse LaRaut, all of Salem; Mrs. R. G. Smith and Mrs. L. L. Lewis of Portland.

Mrs. LaRaut also leaves 16 grandchildren and 12 great grand children.

Mrs. LaRaut was known all over the state, particularly in Douglas county where she spent a large part of her life. She went to Eugene in 1870, shortly after the death of her husband. She had returned to that city 10 days ago from a visit to Salem, where she suffered the stroke of paralysis that hastened her death.

The funeral services will be held at 10 o'clock on Tuesday morning at Eugene, and the body will then be brought to Roseburg, and will be placed in the family lot at the Masonic cemetery. Short services will be held at the graves at 2 p. m.

Under the terms of the parole the two men must remain within the state and refrain from the violations of any laws. They cannot again engage in the second-hand business in which they were engaged at the time of their alleged offense.

**Help That Aching Back!**

Is a bad back wearing you out? Are you lame and achy; nervous and depressed? Do you suffer headaches; dizziness and disturbing bladder irregularities? Then you should know that these are often signs of kidney disorder and kidney trouble is too dangerous to neglect. Your kidneys keep the blood stream pure. Once they slow up in their work, poisons accumulate and cause an upsetting of the whole system.

Why, then, risk neglect? If you have reason to suspect your kidneys, give Doan's Pills a trial. Doan's have been used successfully for over thirty-five years. They are recommended by thousands. Ask your neighbor!

**Here Is Salem Proof:**

Mrs. Ruth Denison, 1540 N. Liberty street, says: "I had attacks of kidney complaint and my back ached. When I stooped I became dizzy and specks floated before my eyes. My kidneys acted irregularly. I used Doan's Pills for these attacks. They helped me right away. The aches and pains left and I was free from the dizziness and other signs of kidney trouble."
