HELPED THROUGH CHANGE OF LIFE

Took Lydia E. Pinkham's Vegetable Compound during this Critical Time

Baltimore, Md.—"I took Lydia E. Pinkham's Vegetable Compound to help me through the Change of Life and for a broken-down system. I had been complaining a long time and dragging along had tried other medicines which did not help me much. I read in the newspapers of the Vegetable Compound and after taking a bottle I felt better. I did not stop with one bottle, but took it through the whole critical time and am now practically a well woman. I have two daughters whose health was very bad before they married and I was worried about them. I got the Vegetable Compound for them and it helped them, and after they married it also helped them in bearing their babies. This is a great and good medicine for all complaints of women, and I recommend it to all."—Mrs. L. GILMORE, 1375 N. Gilmor St., Baltimore, Maryland.

The Vegetable Compound is a dependable medicine for women of middle age. Let it relieve you of nervousness, that feeling of strain and those annoying hot flashes so common at this time.

This NEW way in solving woman's oldest hygienic problem warrants never a moment's charm lost

ONE-SIXTH of the average woman's life, say some authorities, is spent in self-consciousness, in fear of charm lost.

Today that is a folly. Live every day, unhandicapped. Wear your lightest frocks, dance, dine, motor in security and content.

Modern science has supplanted the old-time sanitary pad with a better way. A way that is changing women's hygienic habits universally.

The name is Kotex... a method scientifically right. It absorbs 5 times the moisture of the ordinary cotton pad.

That means great protection. It is as easily disposed of as a piece of tissue—that ends an old-time embarrassment.

It is odorized. And that prevents danger of offense. You get it at any department store or drug store, just by saying "Kotex." And that banishes the embarrassment of asking for a "sanitary pad."

8 in every 10 women in the better walks of life have adopted it. Which proves its benefits.

It will mean much to you in health, in daintiness and protection. It proves old ways a needless folly.

KOTEX
PROTECTS—DEODORIZES

- 1 Protection: 5 times as absorbent as cotton pads. Absorbs 5 times its own weight in moisture—and scientifically deodorized.
- 2 No laundry. Discard as easily as a piece of tissue.
- 3 Easy to buy, anywhere. You ask for them by name. Many stores keep them ready-wrapped—help yourself, say the clerk, that is all.

No laundry. Discard as easily as a piece of tissue
