PLANS FOR ASHLAND NORMAL APPROVED

The building committee of the board of regents of Oregon normal schools yesterday approved plans prepared by Bennes & Harzog, Portland architects, for the new state normal school building at Ashland.

The building will be of concrete stucco with stone trimmings and red tile roof. The dimensions will be 156 by 62 feet, two stories and basement, the latter to be used for heating equipment only. It will contain 16 rooms in addition to registrar's office, president's office, library, reference room and an auditorium with a seating capacity of 400.

The estimated cost of the building is $160,000. The legislative appropriation was $175,000. Bids will be advertised for at once and opened in about five weeks.

The members of the building committee are Frank J. Miller of Albany, C. L. Starr of Portland and John H. Fuller of Ashland.

WOMAN'S BRAIN GIVEN COLLEGE

Washington, Sept. 1.—(A. P.)—Mystery concerning disposition made of the brain of Mrs. Helen H. Gardner, late member of the civil service commission, was cleared up yesterday with announcement by executors of her estate that the organ had been sent to Cornell university Saturday in accordance with the terms of her will.

The unique bequest came to light several weeks ago when the will was filed for probate, but at that time conflicting statements were made as to whether the brain had been removed and whether it had been sent to the university.

Mrs. Gardner in directing that the university be given her brain for scientific study, declared that in the past the brains of women of inferior mentality had been compared with those of men of higher type.

WOMAN PROVES SANITY BY SWINGING BIG DEAL

Los Angeles, Cal., Sept. 1.—(A. P.)—Proof that she recently swung a $100,000 real estate deal to augment her comfortable fortune yesterday won for Mrs. Cora May Williams a superior court order restoring her to competency after neighbors, viewing with alarm her habit of walking about barefoot when she was not riding in taxicabs, had declared her mentally unbalanced and had obtained the appointment of a guardian to look after her.

ATHLETICS AND SENATORS PLAY CRUCIAL SERIES

New York, Sept. 1.—(A. P.)—Connie Mack brought his battered Philadelphia cohorts back from the west to give battle to Washington in the first round of a final stand to rescue the American league leadership from the tightening grip of Clark Griffith's Senators.

A two-game series starting at the capital today will be followed by six more struggles between the leading contenders before the close of the season on October 4. Four games will be played in Philadelphia on September 7, 8 and 9, after which the clubs meet in two closing contests at Washington.

"Let the Athletics set the pace in August," said Bucky Harris several weeks ago. "We will catch them when they blow in September and finish with plenty to spare."

As the teams lock today with the Senators three and one-half games ahead, that prediction has been partly fulfilled. The road trip of the Athletics through the west dimmed their pennant hopes. Two victories in 12 starts constituted the Philadelphia record, the young team crumpling under the strain to finish with six consecutive defeats.

All the clubs of the American league rested yesterday as the western campaign of the eastern teams ended. Two games were played in the National, the pennant rushing Pirates scoring their fourth straight triumph over the Phillies, 10 to 3. Good pitching by Meadows and powerful hitting gave the leaders an advantage of seven and one-half games over the second place Giants.

The Boston Braves, fighting to climb from the senior circuit pit, edged to within two points of seventh place by squaring their series with the Cubs at two games apiece.

New York, Sept. 1.—(A. P.)—The management of Babe Herman of California, who recently obtained a draw with Louis (Kid) Kaplan of Meriden, Conn., in a featherweight championship fight at Waterbury, Conn., filed a challenge with the New York boxing commission for a return bout. Both Paul Berlenbach and Mike McTigue, present and former light heavyweight title holders, respectively, entered into an agreement today with Promoter Tex Rickard, under which the winner of their championship fight on September 11 will defend the crown against Jack Delaney of Bridgeport, Conn., in the ring of the new Madison Square Garden, which is nearing completion.
