Writers are Guests at Smith Home

The W. D. Smith home on Center street was the scene of an interesting meeting of the writers' club last night when Miss Grace Elizabeth Smith was hostess to the group. The living rooms were lovely with bowls of pink roses. In the dining room cosmos, shading from maroon to pink, were arranged attractively.

Miss Smith, section leader, presided and the evening's program was opened by Ruth Fargo who read a sonnet "The Eternal Urge" and a delightful nonsense poem—"Listen Madame Grundy." Gertrude Robison Rose read a group of poems, including several printed recently in the Lariat and two which she calls "Concerning a Certain Lady" and "I Should Have Known."

Free verse was introduced into the program by Clara Virginia Barton who offered her "His First Circus" and shorter poems, "Christmas Wishes" and "Enchanted Fields."

One of the most interesting contributions of the evening was an article written by Charles J. Lisle after his recent visit to the Big Brother farm near Lebanon. He called it "Soup, Soap and Salvation." The altruistic work carried on among the delinquent boys was described.

Mrs. Ora McIntyre followed Mr. Lisle with a pretty little poem called "A Song of the Prairie" which carries a special appeal to those who know and love the prairies of the middle west. Mrs. Isabelle Gray Clifford read an attractive poem which she revised recently and Albert Roy read his latest story—"The Last Laugh."

Special guests at the meeting last night were Mrs. Ray Smith and her mother, Mrs. Reeves. Mrs. Smith assisted Miss Smith during the refreshment hour. In addition to those taking part in the evening's program the group included the following writers, Mr. and Mrs. W. D. Smith, Miss Marie Roberts, Mrs. Mary B. Kells and Miss Renska Swart.

The next meeting of the section will be held in two weeks. The place of meeting will be announced later.

More than 500 members of the hostess and patroness committee of the All Oregon 1925 exposition and bazaar to be held at the auditorium in Portland for benefit of the proposed fine arts building at the University of Oregon will meet at the Portland chamber of commerce Friday, September 11, according to an announcement made yesterday by Mrs. George T. Gerlinger, secretary of the exposition.

It is expected that the members of the largest committee in connection with the exposition will bring articles they have collected. Those who do not furnish articles for sale at the bazaar are to help at the auditorium during the exposition if they care to offer their services in that way.

After the big meeting at the Oregon building at 3 p. m., chairmen of the various committees will meet to segregate the donated articles. The gifts will be classified, and each committee will receive those coming under its sphere of work.

"Plans for the exposition are fast being completed," Mrs. Gerlinger said. "With the event only four weeks away, its success is assured. There is still a great deal of work to be done, and the fine co-operation of the hundreds of Portland society women is making it possible to put on the exposition in an even bigger way than was at first planned."

Members and friends of Central Congregational church are reminded of the reception being tendered to Reverend and Mrs. H. C. Stover on their return to Salem to assume charge of the pastorate of the church. The original plan for the reception which was to have been held at the home of Mr. and Mrs. A. M. Reid on 17th street, has been changed and the gathering will now be held in the church parlors at 19th and Ferry streets. On account of the September chill it was felt that an outdoor reception in the evening would not be pleasant for those in attendance.

The reception hours will begin at 7:30. There will be a brief program and refreshments will be served. Mr. and Mrs. Reid, two of the oldest members of the congregation, will be host and hostess for the occasion.

Rev. and Mrs. Stover arrived from Freewater on Tuesday evening and are already located in the parsonage which they formerly occupied for so many years.

Rheumatism

"Good-bye old crutch!"

THERE IS positively no longer any excuse for suffering the agonies of rheumatism! Especially in the autumn of your life, when the vital organs weaken, impurities multiply and linger in the muscles and joints, as never before. It is now, just now, when you cannot afford to guess. No day returns!

Here is a joyous fact which can mean to you a fond farewell forever to all the miseries, the tortures, the body-twisting pains that you have suffered from the demon of rheumatism. It is a fact that rheumatism means "blood poverty." It is a fact with the increase of red-cells in your blood, impurities are destroyed. It is a fact that S.S.S. will help Nature build these red-blood-cells! S.S.S. is one of the most powerful blood cleansers in existence. Its results in thousands of rheumatic cases have been nothing short of amazing! The medicinal ingredients of S.S.S. are purely vegetable. This is very important to remember! What can be more inspiring, more wonderful than to see the shackles of pain released from your struggling body, swellings, lingering pains, stiffness of joints and muscles all disappear; your stomach made strong; your face pink with the old sweetheart glow, your blood enriched and your cheeks more plump as they used to be. You can do it! Take S.S.S., the great destroyer of rheumatic impurities.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

Had skin trouble so bad was ashamed to appear in public
Resinol completely healed it

Entriken, Pa., March 4:—"Last summer I had a skin affection on my face, hands and arms. It kept spreading until I could not shave and hated to be seen in public. The itching was very annoying and nothing I tried gave me any relief. A friend recommended your Resinol Ointment and I bought some at once. The first application gave me relief, but I continued using it freely and in a very short time the itching disappeared and the trouble was completely cured. Needless to say, I have great faith in "Resinol" for skin disorders." (Signed) J. H. Ketterman.

SOME MIDDLE-AGED WOMEN ARE AILING ALL THE TIME

Mrs. Ackerman and Mrs. Mayer Tell Women How Lydia E. Pinkham's Vegetable Compound Helped Them at This Trying Period

MRS. ELSIE ACKERMAN
CONVOY, OHIO

Convoy, Ohio.—"During the Change of Life I was weak and run-down and could hardly do my work. By reading your advertisements I found out about Lydia E. Pinkham's Vegetable Compound and it has straightened me right out and made me feel like a new woman. By the time I had taken eight bottles I was well and could do my housework on the farm without trouble. I recommended it to my daughter-in-law after her second baby was born and it did her a wonderful lot of good. I told her to try it and if it didn't help her I would pay for it, and before she had taken one bottle she said to me, 'You won't have to pay for it! It is helping me wonderfully!' And she took three bottles of it. You can use my testimonial if you wish." — Mrs. ELSIE ACKERMAN, Convoy, Ohio.

Mrs. Mayer's Experience

Litchfield, Conn.—"I have given your medicine a fair trial (I am on my fifth bottle) and can truthfully say that it has helped me. I am at the Change of Life and was not able to sleep nights, had indigestion, palpitation of the heart, pains in my right and left sides (more so if I hurried), had a rapid beating in my left ear and dreaded to see night come. I felt smothered if I lay on my left side, I had gas dreadfully, at times felt as if some one had me by the throat, had hot waves through me and sometimes I would shake in spells of nervousness. I am taking Lydia E. Pinkham's Vegetable Compound and I cannot praise it enough. I can say it does all it claims to do and I can recommend it to my friends. I can sleep much better, the pains in my sides are gone, I am not so nervous, my digestion is much better, and I very seldom have the hot waves. I must say that the Vegetable Compound is the best medicine for women's ills and I will answer letters from women asking about it." — Mrs. JOSEPH MAYER, SR., Box 36, Litchfield, Connecticut.
