Stayton, Or., Sept. 3.—The Women's Community club of Stayton held its first meeting of the year at the open air pavilion in the Maconic grove, Tuesday afternoon. While the attendance was not large, the members present showed a great deal of enthusiasm for the work of the coming year.

Mrs. Hattie Ficklin, chairman of the dance committee, gave a report of the amount of money earned by the club from their dances this summer. It was announced that no dances sponsored by the club would be given during the month of September, but that plans were being made for a large harvest dance in the early part of October. The year book committee announced that the pamphlet was ready for the press and would probably be distributed
