Jewett Improvements More than Doubled Our Business

Aug. 1924 Jewett Sales Aug. 1925 Jewett Sales

"Never a Car Like This—Never Such Value!"

Actually 131% more business in August this year than last. When you see this latest Jewett at its new low price, you'll know why.

Famous for its unusual roominess and comfort, Jewett Coach is now larger—roomier—even more comfortable. Added length gives greater leg room and substantially better riding quality.

Months ago Jewett took the stand that roominess was what the public wanted in a Coach. Jewett met that need squarely by producing the country's roomiest Coach. Sales that followed eclipsed all records.

In value—in quality—in roominess—in performance—Jewett Coach then excelled all Coaches.

Even such excellence has now been improved. You relax the moment you enter this great

car. Plenty of leg room. No stiffness. Never a cramped position—even when five are riding.

Never Such Performance! A surge of able, efficient power such as you have never experienced. Silent as it is able. Because it's a Jewett with all the ability that has made a famous name for a famous car.

Respected in traffic—on toughest hills—on the open road. For Jewett is known as the car whose performance cannot be questioned. Costs but little more than ordinary cars. It offers much more in performance, comfort, quality and long life.

See this great car today! Ride in it. Drive it! You'll know why it more than doubled our sales.

New lower prices on all improved Jewett models as follows: Coach \$1245, De Luxe Touring \$1320, De Luxe Coach \$1400, De Luxe Roadster \$1500, De Luxe Sedan \$1600. Prices, f.o.b. Detroit, tax extra. Paige-hydraulic 4-wheel brakes at slight extra cost (615-3)

This is the finest Essex ever built. And the price is the lowest for which Essex ever sold. It is made possible only through the largest output of 6-cylinder cars in the world's history.

166,369 Hudson-Essex sales in eight months surpass all former 6-cylinder records by

many thousands—the largest increase known in the industry.

This enormous production gives advantages in economical purchase of materials, savings in manufacture and low cost of distribution that are recognized throughout the industry as being exclusive to Hudson-Essex.
