

HUNTING SEASON OPENS THURSDAY, LAWS REVIEWED

Next Thursday the hunting season in the state of Oregon will open and those intending to be out bright and early are issued a few don'ts which will keep them inside of the law. Hunting licenses or combination licenses are available from any county clerk or from any other regularly appointed agent of the state game commission.

Civil war veterans, Indian war veterans, or a pioneer of Oregon prior to the year of 1870, Spanish-American war veterans who are residents of the Oregon state Soldiers home, and disabled World war veterans may get licenses to hunt and fish free by applying to the state game commission or to any county clerk.

An unnaturalized citizen cannot lawfully hunt or angle, trap, kill or take any of the wild animals, birds or fish of the state without first having obtained a \$25 gun license and both hunting and fishing licenses. Other laws which are always unlawful follow:

To hunt at night, to hunt on any game refuge, to hunt deer with dogs, to wantonly waste game, to sell plumage of game or song birds, to disguise sex of any game animal or game bird. To shoot from a public highway or railroad right-of-way. To hunt on lands without the permission of the owner. To lie in wait for

deer at or near licks, to hunt without having on person a license, or to refuse to show license on the demand of the proper officer. To sell or offer for sale, barter or exchange any of the game animals or game birds, or parts thereof, of the state of Oregon. To take up any game bird or game animal for the purpose of holding the same in captivity. To rob any bird's nest, except such birds that are not protected by law. To hunt or shoot from a power boat, sink or sneakboat, or sink box.

To trap fur-bearing animals without a license. To trap, net, or ensnare game animals and game birds, except fur-bearing animals. To resist game wardens or other officers charged with the enforcement of the game laws. To hunt within the corporate limits of any city or town, public park, cemetery, or on any campus or grounds of any public school, college or university, or within the boundaries of any watershed reservation as set aside by act of congress to supply water to cities and towns, or within any state or national game reservation.

To kill mountain sheep, mountain goats, antelope, moose, elk, female deer, spotted fawn or deer of the first year, silver, golden or Reeves pheasants, Franklin grouse or fool hens, ewan, wood ducks, elder ducks, wild turkeys, least sandpiper, western sandpiper, solitary sandpiper, snowy plover, doves, pigeons, dowitchers, godwits, knots, oyster catchers, stilts, surfbirds, gulls, loons, and all birds of other kinds, except those not protected and on which there is an open season.

To hunt game birds and game animals between sunset and one-half hour before sunrise. To use a light of any kind in hunting any of the game animals or game birds of the state of Oregon. To hunt,

pursue, molest, catch, kill or destroy any game animals or game birds from an automobile, power-propelled vehicle, or other mechanical conveyance. For women to hunt without a license.

LOOK OUT FOR SELF POISONING

Neglect of the liver results in self poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation.

Cleanse and tone your liver! Put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of strength, vigor and energy. You will be completely satisfied; otherwise there will be no cost.—Adv.
