COOPERATION IS HELD KEYNOTE TO PEACE IN WORLD

Silverton, Or., Sept. 8.—(Special)—Chaplain R. S. Gilbert of Portland spoke at the Fourth picnic held at Silverton, Monday. Mr. Gilbert took for his subject, "Co-operation," which he said was the keynote of success of the Four-L association. "Co-operation," said Mr. Gilbert, "is the biggest thing in the world. Co-operation means a mutual understanding. And we are getting that today—a better mutual understanding. Secretary Hughes reports we have come into an era of better international relations. Let us bring this better understanding into our domestic relations." Mr. Gilbert went on to say that "there is today a universal spirit of lawlessness. This is particularly true in regard to the 18th amendment. The open violation of this is awful. As long as an amendment is an amendment it should be held in inviolate."
