Power in the Blood!

You will be compelled to admit that the results of S. S. S. are really amazing!

MAN'S GLORY is his strength—yet how few there are who are really as strong as they should be. The blood thins, gets weaker, blood cells wear out—general weakness and a gradual breakdown of the system results.

We know there is one thing that puts power in the blood, and that is more red-blood-cells! S. S. S. builds them by the million! We know that as blood cells increase in number, blood impurities vanish! But have you ever actually taken advantage of this wonderful fact? Thousands of people who have never thought of it. So-called skin eruptions—pimples, boils, blackheads, eczema all pack up and go when the tide of blood cells begins to roll in. Blood cells are the fighting giants of Nature. S. S. S. is one of the greatest blood cell builders, blood cleansers and body builders, known to us mortals. Here is your opportunity! S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does not build red-blood-cells, it cures rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down.

Those Floors of Yours!

RUBBER CEMENT FLOOR PAINT

EVERY home-keeping, home-loving woman has, sometime, wondered: "How can I have soft-wood floors that are as inviting as hardwood—clean and bright—and easy to keep that way? I mean bed room floors, halls, closets, bath rooms, in fact, all the busy 'up-stairs' places."

A properly painted surface is the answer. Such a surface must be as indifferent to soap suds and water, and as willing to part with soil and stains, as a dinner plate—with almost cement-like resistance to scuffing shoes, pounding heels and sliding, scraping furniture.

Rubber Cement Floor Paint provides soft-wood interior floors with the surface that satisfies your most exacting ideas of good home-keeping. Easy to apply, it dries over night, forming a bright, porcelain-like surface in any one of several attractive colors. Made by FULLER—the result of 75 years' experience.

Ask your Dealer. And don't forget to write for our free book, "Color Harmony in the Home." It is your guide when painting floors, walls and woodwork. Illustrated in color and suggests color schemes.
