

NEW TON-LITTER CONTEST BREEDS SHARP RIVALRY

Considerable good-natured breed rivalry is apparent among swine breeders of the state, actuated by the ton-litter contest which is to be introduced at the state fair, which opens in Salem, Monday, September 21st. This contest, which is held to demonstrate that a ton or more of pork can be raised in 150 days from one litter of pigs, is virtually the same contest that has been featured in states of the Mississippi valley for a number of years.

Already fourteen litters have been entered, with ten of them accepted. Two industrial club boys and three or four strictly amateur breeders are represented in this group. Berksires head the list to date, the Chester Whites coming second, with one pig less. However, breeders are expecting that they will put on more weight than the Berksires. The Duroc Jersey men are confident that their litters will occupy first place, and fanciers of Poland Chinas claim the heaviest average weight and the most uniform litters.

The following names are of those who have passed the second inspection under the supervision of Professor Oliver S. J. Freese & Son, Albany, Duroc Jersey: Claude D. Pance, Salem, Chester White; E. W. Hughes, Grants Pass, Berksires; Reich Brothers, Macleay, two litters Berksires; W. L. Creach, Salem, Poland Chinas; John L. Linehart, Woodburn, Duroc Jersey; R. W. Hogg & Sons, Salem, Poland Chinas; Elmer Burk hart, Albany, Duroc Jersey; Poling Brothers, Albany, Chester Whites.

The prizes in this contest run from first to fifth place, with an additional prize of ten dollars thrown in by the fair board for each additional litter which qualifies at the fair. Ten dollars will also be given for the heaviest pig in any litter. The awards will be made on the adjusted weights of the litters, provided that no award be made to any litter where either the adjusted weight or the official weight is less than one ton.

Special money will be given by the Chester White and Duroc National Record associations in these divisions of the litter contests.

He was paroled in 1918 to enter the army, officials at the prison here said.

Thread Silk, Full Fashioned Leg and Foot

Again Holeproof has favored us in giving a price concession on factory clearances of substandards that permit us to sell them at \$1.00 per pair. Unless Holeproofs are absolutely perfect they never find their way to the customer in the regular channels. So we announce this sale as a factory clearance of "Hurt" Hosiery at a very low price. Some of the imperfect go undetected, in fact a great many of them could be sold as perfect, but the factory says "Substandards" and tomorrow we place a great quantity of them on sale at \$1.00—that if perfect would be \$1.95 and \$2.25.
