

HANDBILL PUTS LOCAL AUTHORS IN BACKGROUND

With all the clamor now going on that Salem is the literary center of the world and contains the earth's seven or more luminaries who enlighten the world with English, visible evidence of the exaggeration of these claims is contained in a letter just received by P. T. Wrightman, deputy sheriff in charge of the tax collection office. The letter is from his daughter, Mrs. Fay Wrightman Smith, wife of Lieutenant R. S. Smith of the United States navy now in China with the Asiatic fleet.

It is not Mrs. Smith's letter which shatters Salem's claim to supremacy in English, but a Chinese handbill which she encloses. The handbill advertises the opening of a new cafe in a Chinese city and reads as follows:

To Your Attention, "Moon" Saloon Dancing will soon be opened. At the saloon will be given various kinds of cold and hot side dishes, also breakfasts, lunches, dinners and suppers.

Besides this "Moon" undertakes by order to make preparation for different Banquets and so.

The food is prepared from the best and freshest provisions and during which the absolute cleanliness and order are maintained.

If You Tire Easily—Beware of Chronic Fatigue

Thousands are victims of chronic fatigue—and do not know it.

If you tire easily, feel "all-in" at night, and wake up unrefreshed in the morning—if you are always weak, nervous, headachy, etc.—nine chances out of ten the real cause is chronic fatigue.

Ordinary fatigue—the kind you feel after hard work, etc.—is normal. That's nothing to worry about. But chronic fatigue comes from within. Your nerves, muscles, etc., have become debilitated and cannot function properly.

To conquer it you must get at its cause—in the blood. For it is when your blood is thin and pale, lacking in sufficient iron, that you become run-down, and are a victim of chronic fatigue.

What you need is to strengthen your system by getting more iron in your blood. Don't take the older mineral iron medicines which many doctors now say do little good. Take organic iron—Nuxated Iron—which is like the iron in your own blood. Unlike ordinary mineral iron it does not injure the teeth or upset the stomach, but is promptly assimilated. Take Nuxated Iron for just 2 weeks and you'll be astonished how it begins to revitalize you and gives you new strength and endurance. Money back if not improved. At all good druggists.

Boogakoff specially ordered from Russia. During the dinners, suppers plays a nice music.
