CEMENT WALK PROTEST SETTLED AMICABLY, DALLAS

Dallas, Or., Sept. 23.—The matter of assessments on the 1925 cement sidewalk program was settled amicably at the city council meeting Monday night when the street committee reported after a week's investigation of remonstrances against it. The matter of overhead expense was spread equally over private and city property.

The other contention, raised by Oak street residents because a 9 per cent increase had been assessed them above other sections in the contract, was settled by withdrawal of objections by Edward J. Himes after it had been stated in council that there would be a refund to these property owners if no more work was necessary on the fill of the old mill race over which the walk is to be laid.

Two hearings on the assessment of costs at the sale of one parcel of bonds has been set for September 28.

Chairman of House Finance Committee Visits at Chemawa

Chemawa, Or., Sept. 23.—L. C. Cramton, congressman from Lansing, Mich., spent nearly three hours yesterday afternoon and evening at the school, Mr. Cramton is chairman of the house committee on appropriations and went through every department of the school on a full and complete inspection with the expressed view of ascertaining the conditions of the school in relation to its needs.

It is a known fact that the Chemawa school has been running on a smaller appropriation than it needs. Each year the number of students cared for has exceeded the amount appropriated. Two years ago the school cared for nearly 350 students with an appropriation for only 750. Out of her 35 at an advanced council meeting. These hearings involve the Washington, Lyle and Stamp streets improvements.

ton is a delegate from Michigan. During the dinner, Mr. Cramton was given several yells by the student body. The congressman responded with a short talk before leaving for Portland. "I have visited 25 Indian reservations and 12 non-reservation schools this summer, but I haven't seen any school anywhere where they did as much as they do here at Chemawa," said Mr. Cramton to the students in his talk. "The atmosphere at Chemawa is that of home, lacking the institutional air of so many of the Indian schools of today."

Mr. Cramton is especially enthusiastic over the possibilities of Chemawa. He is full of energy and interest as shown by his inspection yesterday.

Before his visit at the school, Mr. Cramton spent a few hours in Salem as a guest of Ben F. West, Salem real estate man. Mr. West took the congressman and his party on a tour of the country and visited all of the state institutions and many of the large orchards near Salem. All members of the party seemed greatly impressed with the large number of varied industries here and with the apparent prosperity of the city.

Agram, Croatia—The hangman has a cold and so the execution of two murderers has been postponed.

will exhibit at the state fair. Miss Ada Jery has recently returned from eastern Oregon. The new fire escape, which was installed at the school house during the summer, is a much needed improvement.

Lynn Judd has returned home from Hood River. Mr. and Mrs. Albert Dougherty of Oregon City are soon to occupy the Betty Smith home. Tim Scully is now in Longview, Wash., where he has employment. Mrs. Mary Pirkerson was a welcome visitor at school last Tuesday. She took pictures of groups of the school pupils at play, which are to be published in a recreation manual which will soon be published.

BIG TIMBER DEAL NEARLY CLOSED

Portland, Sept. 22.—(AP)—Inquiries in timber circles here today concerning a Klamath Falls report that the Forest Lumber company of Kansas City, was negotiating for the purchase of the Yamsay Mountain tract of timber, in the Klamath Indian reservation including two billion feet of pine, brought information from dependable sources, says the Portland Telegram, that this deal is under way.

OF INTEREST TO WOMEN

Many years ago Mrs. Lydia E. Pinkham, of Lynn, Mass., originated her now famous Vegetable Compound for women by steeping roots and herbs in her kitchen stove. The fame of its success for overcoming some of the most stubborn ailments of women spread far and wide until today the Lydia E. Pinkham Medicine Co., of Lynn, Mass., is said to be the largest user of roots and herbs in the world. It operates a large laboratory at Lynn, Mass., others at Cobourg, Canada; Mexico City, Mexico; Barcelona, Spain, and Paris, France.—Adv.

and is expected to be consummated early in October by an initial payment. It was said by men close to these sources, adds the Telegram that the tract was first offered to the Brooks-Scanlon Lumber company of Bend.

Frank Revel has moved to Cochran, Or., to make his home. Mr. Revel will be employed as locomotive engineer with a milling company. His family will follow in the near future.

Miss Margaret Denton came over from Salem, Tuesday to visit her

LIBERTY

Liberty, Or., Sept. 23.—The Woman's club met at the hall Friday afternoon. The program consisted of an instrumental solo by Valeda Ohmart and very interesting informal talk by Mrs. L. O. Clements. Dr. and Mrs. Clements have recently returned from a three months' trip to Europe, two months of which were spent in Vienna. She also told about an interesting jaunt into Holland. Refreshments were served by Mrs. Stevenson and Mrs. Mohney.

The Liberty school started September 14. The teachers are D. A. Hoag, principal, Mrs. D. A. Hoag, Mrs. Y. Hubbard and Miss Cooley. This is the third year in our school for Mr. and Mrs. Hoag, the second for Mrs. Hubbard and the first for Miss Cooley, who has charge of the primary department. Fourteen new pupils are enrolled this year.

The following new families have moved into our neighborhood. Get acquainted with them and make them welcome: O. T. Tabler, on the Struckmire place; F. L. Barnes, lives on the Stevenson place near Mr. Judd's; G. G. Bomer, on the Dove place; L. E. Stiffler, has purchased the O. G. Coffey place; F. Kolaky, lives on the See property, and the Esplin family, who are camping near Mr. Walker's while they look for a house to live in.

A reunion of D. A. Hoag's mother's people was held at the home of George Techuns near Jefferson last Friday. The spacious home was filled with members of the Techuns clan, some of whom had not met for 43 years, and others who had never seen each other. A sumptuous luncheon and dinner were served. Mr. and Mrs. Hoag motored up after school, getting there for part of the festivities.

The parent-teacher society met in Liberty hall last Friday night. As it was impossible for Mr. Gilbert to act as president, he tendered his resignation and Mrs. Claul Stevenson was elected in his place.

Now is the time to get ready for the corn show.

Committees are urged to get busy and all in the community are requested to assist. Let us have an exhibit second to none.

Last Friday morning the two advanced rooms at school were delightfully entertained with an interesting and helpful program given by two of the pupils, Veneta Hains and Dorothy Browning. Each Friday morning two of the pupils will have charge of the opening exercises.

Mr. and Mrs. H. O. Ray are enjoying the sea air at Newport. J. E. Cruthers and family will soon leave for California. Dale Daseh returned from Toledo last Thursday, where he has been working with blackberries.

Miss Frances Hrubetz, teacher in the Salem high school, returned Sunday evening from San Francisco, where she has spent the summer.

Miss Caroline Hrubetz, also a teacher in the Salem high school, returned a few days ago from an extended trip in British Columbia.

G. W. Hickman and Mr. and Mrs. B. H. Wagle of Washington were recent guests at Ed Westenhof and P. L. Pearson.

J. H. Daseh and H. H. Mumford, who have employment at Toledo, spent the week-end with their families.

The Misses Cecelia and Anna Murhammer spent Sunday and Monday in Portland.

Mrs. Lenora Hoag of Dallas, mother of D. A. Hoag, was a school visitor last Monday.

Willie Schotthoefer has gone east.

Mr. and Mrs. Sidney Penns of Portland visited at the Bruce Cunningham home Sunday.

Miss Ruth Dougherty, who is attending school in Portland, visited over the week-end with her parents.

H. L. Wright and family returned home Monday from Portland, where they had spent Saturday and Sunday.

The following young people are attending Willamette university: Valeda Ohmart, Frank Hrubetz, Jean Cruthers and Louise Schmidt.

Mr. and Mrs. Robert Duffield and son, Curtis, of Portland were visitors of Mr. and Mrs. F. J. Browning last Sunday.

Mrs. Mary Ferrier of Portland is a guest in the R. L. Wright home.

A new traveling library is now

in charge of Mrs. D. A. Hoag at the school house, and the public is invited to use the books.

Firestone

Double the Mileage at Half the Cost

Only a few years ago a 32 x 4 cord tire listed over \$50.00. Today, you can buy the highest quality 32 x 4 tire—a Firestone Gum-Dipped Cord—for about \$26.00

Last spring crude rubber cost tire makers around 40 cents a pound. Today, it is over 90 cents a pound.

It was not so long ago that 7,500 miles represented the average life of a cord tire, while today, 15,000 miles—and more—is only the usual performance for a Firestone Gum-Dipped Cord.

Due to large, concentrated production, specialized machinery and simplified factory methods, together with economical distribution, Firestone is able to keep tire prices low—no matter where crude rubber prices go.

And, because of special Firestone processes, chief among which is Gum-Dipping, motorists are getting thousands of extra miles by using Gum-Dipped Cords.

Gum-Dipping is an exclusive method used by Firestone. It is an extra process, carried out in special Gum-Dipping plants, after which the cords are put through the usual calendaring machines. Gum-Dipping insulates and impregnates every fiber of every cord with rubber, and practically eliminates internal friction and heat and builds strength and endurance into the tire.

In the day-in and day-out service of taxicab, bus and truck operators—on the cars of hundreds of thousands of motorists everywhere—Firestone Full-Size Gum-Dipped Cords are giving unheard-of mileage, dependability and satisfaction.

Get ready for the coming months of slippery pavements and bad roads. Assure yourself of greater safety, comfort and economy by equipping now with Firestone Gum-Dipped Balloons.
