AN OPERATION RECOMMENDED

Avoided by Taking Lydia E. Pinkham's Vegetable Compound

Los Angeles, Cal.—"I cannot give too much praise to Lydia E. Pinkham's Vegetable Compound for what it has done for me. My mother gave it to me when I was a girl 14 years old, and since then I have taken it when I feel run down or tired. I took it for three months before my two babies were born for I suffered with my back and had spells as if my heart was affected, and it helped me a lot. The doctors told me at one time that I would have to have an operation. I thought I would try 'Pinkham's,' as I call it, first. In two months I was all right and had no operation. I firmly believe 'Pinkham's' cured me. Every one who saw me after that remarked that I looked so well. I only have to take medicine occasionally, not but I always keep a couple of bottles by me. I recommend it to women who speak to me about their health. I have also used your Sanative Wash and like it very much." —Mrs. E. Gourd, 4000 East Side Boulevard, Los Angeles, Cal.

COMEDY, MUSIC ARE FEATURED IN VAUDEVILLE

A glance over the lineup in the next Association Vaudeville offering which comes to the Heilig theater for one day next Friday reveals the fact that music and comedy predominate. Music certainly has its fling with the Gino Jazz Revue which headlines this show. Instrumental numbers on saxophones and piano constitute the musical end of the act, while the vocal numbers are ably handled by Raymond Sykes, who has a voice of more than average quality, very pleasing in tone and of ample volume. The dancing features are in the hands, or more properly toes, of Archie Grant and Raleigh Wallace and Babe Berger, who give a wonderful display of acrobatic and toe dancing. The act carries special scenic effects and beautiful costumes and moves along with lots of speed right from the rise of the curtain.

With the appearance of Gene Austin and Kathryn Arnold vaudeville patrons will have the privilege of seeing and hearing one of the most popular recording artists on the Victor payroll. Gene Austin is rapidly becoming famous for his character comedy songs which he writes and sings exclusively for the Victor people. In his act he will introduce two new ones "How Comes You Do Me Lak You Do" and "When My Sugar Walks Down the Street." He is ably assisted by Miss Kathryn Arnold who sings and dances all the latest fast and fancy steps including the new famous "Charleston."

"Two Wise Crackers" of the cross roads village type are Mills and Duncan who spend every spare minute they can find in the rural communities studying and getting into closer touch with the types which they endeavor to faithfully portray on the stage. They are the original licks from Hickville and have a flock of new ones up their sleeves.

Happy Busch and Ethel Joy are old timers in the enterprising business. They helped to make jazz famous in France during the war days when they brought "joy" and "happiness" to many thousands of the soldier lads who found time dragging heavy on their hands in hospital and convalescent camps. They specialize on the marimbaphone, violin, piano and ukulele and also sing some jazz numbers. They offer "Merry Moments of Melody."

Fox and Sarno who have without exception one of the classic gymnastic and strong man presentations in the world, top off a variety program that for entertaining possibilities is unequalled.

APPEAL TAKEN IN REFUND CASE

Dallas, Or., Sept. 24.—An appeal has been perfected in the case of Gosso vs. William Riddell Jr. and Ezra E. Hart and the right to force a refund of mileage drawn by them as county commissioners will be tested in the supreme court, according to J. N. Heigerson, attorney for the defendants.

In the case brought by Gosso and others, Judge Ramsey ruled that the commissioners must refund mileage, but he held that their per diem pay, which had also been questioned had been legally paid. It is possible that the plaintiff, through his attorney, will appeal the question of per diem.

Through a stipulation entered into recently a similar case brought by William Toedtemeter against T. J. Graves, ex-county commissioner, awaits the supreme court decision on the mileage refund.

Consult any merchant— New designs now on display

An Armstrong's Linoleum Floor can be laid right over your old flooring, permanently cemented in place over a lining of builders' deadening felt.

Your local department or furniture store is now displaying the new patterns in Armstrong's Linoleum Floors—correct colors and designs suitable for business use. Consult with any of these merchants.
