SAMAR TWINS SPURN WORK IN VAUDEVILLE

Manila, P. I.—A letter addressed to "Manila, Cuba," recently was received by Teodoro Yangco, former resident commissioner at Washington and guardian of Simplicio and Lucio Godino, the Samar twins, regarding a contract which a New York city firm of vaudeville managers and producers desires to sign with the twins.

Although the vaudeville managers offered a large weekly salary for the services of the twins, Mr. Yangco declined to entertain the proposal. Some years ago he found the twins in a side show of a circus in the United States and brought them back to their native land.

CAMBRIDGE RESTRICTS STUDENT AUTOMOBILES

Cambridge. — Stringent regulations have been adopted by the university authorities to prevent motoring by undergraduates during the morning because the noise disturbs lectures. A ban has also been put on night "joy riding."

Regulations adopted by the senate to become effective in October, prohibit the use of motor cars by undergraduates during the first term of residence; the use of all motor vehicles by any students before noon, and the use of motor vehicles after 8:30 p. m. in winter and 10 p. m. in summer months.

RAGE FOR GOLF STRIKES SWEDEN; CLUBS FORMED

Stockholm, Sweden.—Although one or two clubs and courses have been in existence 25 or 30 years golf has taken a real hold in Sweden this year. This has been due chiefly to the increased number of visitors from the United States and Great Britain.

Several new courses have been laid out this summer and clubs, with professionals in charge, organized in various cities. The club at Stockholm, of which the crown prince is president, heretofore has been contented with a nine-hole course, but this summer had a new 18-hole course laid out at Lidingo, one of the nearby islands.

TWO KILLED IN U. S. EVERY HOUR BY AUTOS

Cleveland. — America's death rate due to automobile accidents leads the world, being 14.5 fatalities for every 100,000 population against 5.2 in England and Wales, 4.3 in Scotland, 4.6 in New Zealand and 3.6 in Canada during 1923. Figures for 1924 show that for 158 American cities the automobile accident death rate was 19.4 per 100,000 population, causing not less than 17,400 deaths in automobile accidents, not counting accidents which involved railroad trains, or street cars, and automobiles.

CONVICT CHANGES SUIT; DRESSES FOR OCCASION

Berlin, Germany.—Pride in his personal attire so dominated Bernard Pulkowsky, a criminal serving a term, that when a new charge was discovered against him before the expiration of his sentence, he escaped from prison to replenish his wardrobe and then later voluntarily returned to court clad with sartorial excellence and carrying himself with jaunty pride.
