

Three Day Month-End HALF PRICE SALE!

Today, Tomorrow and Wednesday

Our Sixth Month-end sale has been delayed until this time on account of Fair Week. It was our intentions to pass over this month end without a sale on account of heavy trade, but there was such pressure brought by pleased customers from our former Month-End Sales that we found that it would be almost impossible to please our friends and let even one of these popular sales go by. So we are going to have it, although it is late. We will have extra salespeople and will do our best to wait on the crowds. If you do not get taken care of the first day, come the second or third day.

Thousands of Pairs of Short Runs, Many of Them In Only a Few Days, but Sold Down to Half a Dozen Pairs. These Shoes, which include Men's, Women's, Boys' and Children's High Grade Shoes, As We Carry No Low Priced Shoes, All Go On Sale Three Days Only At Exactly Half the Marked Price.

This is our method of keeping our stock new and snappy. If a shoe does not move the first two weeks it is in we throw it into our month-end sale and out it goes. This is not a collection of old out-of-date shoes, but new up-to-the-minute merchandise, and we are using new fast methods to move our stock. These sales give you an opportunity to try our shoes at exactly half their actual value.
