NORMAL SCHOOL REGISTRATION LARGEST EVER

Monmouth, Or., Oct. 5.—The total registration of the Oregon Normal school at Monmouth has reached 990 for the full term of the present school year. This is the largest attendance the normal has ever registered during a term of the regular school year and exceeds the enrollment of the same time last year by 140 students.

The opening of the normal school finds fourteen new instructors added in the teaching division and the training centers.

Miss Dora Berg, who was last year in the art department of Teachers' college, will take up work in the art department of the normal school. She has had work with the University of Iowa and of Nebraska, where she received the B. F. A. degree. She also has a degree from the art department of Cornell college, Ithaca, New York.

Miss Grace Maurie Mitchell, formerly supervisor of music in the schools of Urbana, Illinois, will assist in the music department. She is a graduate of Northwestern university.

Miss A. V. Barger of the University of Oregon, who was at one time with the normal school, will take work in the physical education department. She is a graduate of the University of Oregon and was last year a member of the teaching staff of the Cottage Grove school.

Oscar Christensen of Los Angeles will take up work in history and social studies. He was formerly an instructor at Blackford, Idaho.

Miss Elizabeth Perry, for five years county superintendent of schools in Columbia county and a graduate of the Oregon Normal school, will take up work as critic in the first and second grades of the Monmouth training school.

Edward Roseboom, who comes to the normal from the Maplewood school, Multnomah county, where he has acted as principal, will take up critic work in the junior high school division of the Monmouth center, which has recently been added to the training school work. Mr. Roseboom attended Leland Stanford university and is a graduate of the Oregon Normal school.

In the independence training center, Mrs. Margaret Murphy was set as critic of the first grade. She comes to the normal from the Hood River schools. She is a graduate of the Oregon Normal school and teacher of some experience.

Miss Bethel Gilchrist, graduate of the Oregon Normal school and previously teacher of some experience in the state of Oregon, will take up work in the second grade.

Miss Gertrude Tormsen of Duluth, Minn., a graduate of the Teachers' college of Minnesota, will be third grade critic. Miss Tormsen has had a number of years of teaching in the schools of Minnesota and has had three years of study at the University of Oregon.

Miss Henrietta Wolfer, who takes over the position as critic in the sixth grade, is a graduate of the normal school and of the University of Oregon.

Mrs. Mona Sheldon has been for several years previous to her coming to the normal a teacher in the Spokane schools. She will take the seventh grade at Independence.

Miss Pearl Eyr, who will teach this year at Oak Point training center, is a graduate of the Oregon Normal and a teacher of experience in rural school work.

Miss Mary Donaldson, who will be at Mt. View the coming year, is a graduate of the Oregon Normal school and the University of Oregon this spring. She is a member of Phi Beta Kappa.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Prevalent coughs and colds lead to serious trouble. You can stop them now with Creosolium, an unadulterated essence that is pleasant to take. Creosolium is a new medical discovery with two fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agents for persistent coughs and colds and other forms of throat troubles. Creosolium contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creosolium is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creosolium Company, Atlanta, Ga.—Adv.

REPAID THIS MAN A DOZEN TIMES

"I have been repaid a dozen times over in improved health for every dollar I spent for Tanlac, and the medicine is still building me up every day," is the striking statement of Joseph DeSarne.

"Tanlac has driven pains from my body that had troubled me for ten years. Besides headache, which almost killed me at times, I had rheumatic pain and swelling in my hands and legs, my circulation was poor, feet always cold, nerves undone, my stomach didn't feel right, I had regular headaches and I was a discouraged man.

"I have never seen the equal of Tanlac in my life. It has more than doubled my appetite, my stomach feels great and my general health is so improved that I can not praise Tanlac enough for what it has done and is still doing for me."

What Tanlac has done for others, it can do for you.

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 millions of bottles sold.

Back Home

A CITY'S skyline thrusts itself up from the haze. Harbor craft shriek noisy, welcoming signals. The incoming liner slowly finds her berth. Cordage creaks; a gangplank is thrown out; and homecomers feel beneath their feet the reassuring touch of firm earth.

To some of the travellers the port is but the outer edge of Home. They must journey many miles—perhaps across the continent—in order to get to the places and the people toward

which their thoughts reach out.

But to these homing thoughts there is no barrier of distance. For America has a nation-wide communication agency that wipes out the miles as if by magic. Instantly it puts the traveller returned in touch with those whose voices he yearns to hear. To him the symbol of the Bell System's universal service is a sign that he is indeed "back home," however far from the nation's rim that home may be.
