INDIANS DEFEAT BENSON TECH IN THRILLING GAME

Chemawa, Or., Oct. 5.—The Chemawa Indian football eleven turned in their second straight win of the season when they defeated the Benson Tech pigskin chasers, Saturday afternoon on Multnomah field by a score of 12 to 6. The Indians presented the most powerful Chemawa team to appear on the Portland gridiron in several seasons.

Benson kicked off to the redskins 30-yard line, from where the hard-hitting Indians plunged their way up the field, with Coquille Thompson, big 190-pound full, carrying the brunt of the attack, to a touchdown without losing posession of the ball. C. DePoe made the touchdown on a one-yard dive over the line. The try for the extra point failed.

The rest of the first half was scoreless, the playing being done for the most part in the center of the field with neither side trying hard to score. On one occasion, Eaton recovered a fumble for Benson on the Indians' 30-yard line, but the mechanics were unable to get through the local's stone wall defense and the Portland team was held for downs and Thompson punted out of danger.

Again near the start of the third quarter a recovered fumble gave the pigskin to Benson in midfield, but they were forced to punt when they failed to get through the Indians. An exchange of punts followed, the redskins getting the ball on Benson's 40-yard mark following the last boot.

Thompson, called the battering ram, was brought into service at this point and he, with the aid of C. DePoe and Johnson, pushed the ball to the founr-yard line, where a forward pass, Bernard to George, netter a second Chemawa touchdown. Thompson's kick was blocked.

The lone Benson touchdown came in the final quarter when Gilmore, Benson center recovered a fumble on his own 40-yard line and raced 60 yards down the field across the last white mark. Just before the run, the mechanics had lost a good chance to score when they were held for downs on the 20-yard line.
