

### DOTSON SOUGHT FOR RING SCRAP WITH BRADBURY

Harry Plant, matchmaker, is making efforts to schedule Benay Dotson and Solder Bradbury for the next boxing card to be held at the armory on October 16. Dotson and Bradbury are in Vancouver at this time and it would be easy to get them here. He is also trying to schedule "Spark Plug" for a fight. Phil Hayes might be arranged to fight the winner of the Dotson-Bradbury bout.

There is only five pounds difference in Dotson's and Bradbury's weights and it should be one of the best fights yet seen in the local ring. Plant called Dotson by long distance phone yesterday afternoon and is pretty sure that he can arrange for them to be here on that date. Dotson and Bradbury will cost more than the average fight and Plant is a bit pessimistic over getting them here as he is not sure of the support of the fans.

"Several of the fans were rather disappointed in the fight last Thursday," said Plant, "but it is mighty hard to get them here for the money they get. In Portland it is easy to get fighters as all they have to do is to go down to the club and arrange them. Here the matchmaker must send several long distance calls to different parts of the state and then he is not sure of a good fight."

Plant is doing all that he can to get the best fighters possible and the fans surely got their money's worth in most of the cards put on here last fall.

The bouts will improve right along but it was hard to tell what would be a good card for the first fight. Plant is trying to get some new faces that will be able to give good cards, thinking that the fans would get tired of seeing the same old fighters nearly every

Plant is also asking the fans to stop smoking during the fights so that the boxers will be able to go at top speed. With all of the smoke in the air it is impossible to breathe as steady as the fighters must do. A good fast semi-windup is in the making and two good preliminaries will also be arranged.
