Now that the state fair is over and they've taken the "old grey mare" home, let's do a little swapping for excitement. You know that big pumpkin (not the one the governor tried to lift), well, we have 30 acres that will raise big ones like that, worth $7500 and the owner has gone in for society and wants a town house; or would you rather have 65 improved acres worth $4000; or 80 fine improved bottom acres worth $10,000; or how would you like to trade a small house for a bigger one and 3 lots worth $2500; or have you a good house worth $4,000 or $5000 that you could take a couple of Portland acres worth $1200 as part payment; or would you trade that high priced 40 for a real ranch of 190 acres worth $125 per acre.
