

GLORIA GOULD LEAVES HUSBAND FOR A "CAREER"

New York, Oct. 9.—(A. P.)—The New York American says today that Mrs. Gloria Gould Bishop has left her husband, Henry A. Bishop, Jr., to go to a camp in the Maine woods. Her friends say, according to the story that she will establish a residence in Paris. She departed on the Majestic last Saturday, the story goes.

Gloria Gould, daughter of the late George J. Gould, sister of Lady Decies and inheritor of great wealth has attracted much attention since her marriage two years ago at the age of 17 by her determination to carve out a career and earn money for herself. She has announced her belief that every wife should do the same.

Last December she made her debut as a professional dancer at an entertainment given in the name of charity at the Ritz-Carlton hotel. She has since been managing director at \$250 a week at the Embassy theater, a \$2 motion picture place with ushers in ballet costumes. In overall she helped with the interior decorating of the theater.

A daughter was born to the Bishop in April.

3 SALEM BACKS OUT OF LINE UP IN GAME TODAY

Injuries to the Salem high school football eleven have happened all of a sudden and the red and black team faces a hard fight when they clash with West Linn on Sweetland field this afternoon at 3:30 o'clock. Salem's prospects were all rosy for a while but just as it appeared the best three backfield men, who were expected to carry the brunt of the local attack

BLACK BUTTE CUT OFF CONTRACT LET BY ESPEE

Portland, Or., Oct. 9.—The interstate commerce commission has authorized the Southern Pacific company to construct the Black Butte cutoff which will materially improve the grade of the southern end of the Natron cutoff. This was brought out in the testimony of George W. Boeschke, chief engineer of the Southern Pacific company, in the southern Oregon railroad case hearing here. Mr. Boeschke said the contract was let yesterday and that the work involved an expenditure of \$4,000,000 and would be completed by June 30, 1926, at the same time that the rest of the Natron cutoff work will be finished.

The testimony of the chief engineer developed the fact that distance between Klamath Falls and Portland over the Southern Pacific company's Natron cutoff is 113.6 miles shorter than the proposed Oregon Trunk line via Bend and that the rise of the Natron cutoff from Klamath Falls to Portland is

800 feet as compared to 1503 feet of the Oregon Trunk, indicating the character of the road the Southern Pacific proposed to build. The chief engineer estimated the cost per mile between Cornell and Alturas at \$79,000. Mr. Boeschke further testified it

TRIANGLE SERVICE STORES

Alexander Graham Bell, inventor of the telephone, lived to see his wonderful instrument in universal service. It unites communities. It puts you in instant communication with your friends and relatives. It brings the doctor in emergencies. It calls the police and firemen when they are needed. It reserves your theater seats or your transportation tickets.

IT BRINGS YOUR FOOD TO YOUR DOOR in fair weather or foul. It sends the food back if you are not satisfied with your purchase—because The TRIANGLE SERVICE STORES, your complete service grocer will send for it if you don't want it after it is delivered.

Avail yourself of this service. It adds nothing to your household expenses, and it saves time and bother. It enables the TRIANGLE SERVICE STORES to serve you more economically and tends to lower the cost of food distribution. The consumer benefits by this economy.

Telephone one of the TRIANGLE GROCERS whose name and number are listed in this advertisement. He is pledged to give you EXACTLY THE GOODS YOU ORDER at the lowest possible price.

It is easier to lift a telephone receiver than a heavy basket of groceries. "Phone for Food." Our co-operative buying saves dollars for you.
