

CUT IN INCOME TAXES FORECAST BY MR. HAWLEY

Preparations are being made to reduce the federal maximum surtax "to 20 per cent and possibly to a lower rate," it was declared by Congressman W. C. Hawley, member of the ways and means committee of congress, who left Salem for Washington, D. C., today. "Some further relief will probably be given to the smaller income taxpayers," Mr. Hawley stated.

Reduction of the corporation tax and the capital stock tax, with a possibility of elimination of the latter, were hinted. A total of \$550,000,000 will probably be cut from federal revenue, he declared. Going on down the line Hawley indicated that he would support abolition of the inheritance tax and the gift tax as federal measures. Other taxes for which he will advocate either elimination or reduction are those on automobiles, tires, accessories and parts, he intimated.

The bill as prepared by the committee on ways and means will be presented to congress when it convenes December 7.

HARDING PARK GIVEN BOOST

Walla Walla, Wash., Oct. 9.—Impetus was given the proposed Harding memorial park at the summit of the Blue mountains last night at an enthusiastic gathering of representatives from Oregon and inland empire towns.

The meeting was for the purpose of bringing the project which will commemorate the late president prominently before a larger body of people.

At the meeting, it was stated that coinage of gold dollars to facilitate building of the project will be started as soon as congress can pass a law authorizing such an act. A bill will be introduced at the next session in regard to the coinage of dollars which will sell for 2 dollars, half of which will go into the park fund.

State Senator Bruce Dennis presiding over the meeting, stated that the project was one of the greatest missions undertaken by people west of the Rockies.

Dr. S. B. L. Penrose, president of Whitman college made a stirring address on the memorial and what it will mean in the coming years to this section of the country. Fred W. Stelwer of Pendleton, Or., told of the organization of the memorial body from the beginning.

Boxing events are postponed. Harry Mann, matchmaker, has decided to postpone his next boxing card until Wednesday, October 21, instead of October 16, as originally planned. The original night comes on Friday when there is a big vaudeville at the Regis theater and that thought it best to have the fight on some other night. He was in Portland yesterday afternoon and evening to see the fights there and to arrange for the next card here. Mann had thought of getting

Clears Complexion

"Oh! how clear and beautiful your complexion is today, my dear!"

THERE is a certain joy—a certain pride—in knowing you are admired, whether it be from father, brother, husband or sweetheart! And back of that joy is the satisfaction of knowing all is well.

Men are fascinated by the charms of beauty. Women gaze with envy, secretly jealous, perhaps, wondering—hoping—praying for that attractiveness which is not theirs. But why the wondering—the hoping—the praying for that clear skin—that beauty. A clear skin—is the barometer of one's condition. A healthy skin radiates beauty. Pure, clear blood means a clear skin.

S.S.S. is waiting to help you. It will rid your blood of its impurities and give you that clear complexion. Since 1876 S.S.S. has been ridding people of blood impurities, from pimples, from blackheads, boils, eczema and from rheumatism, too. Because S.S.S. is made from fresh herbs and barks, it may be taken with perfect safety. Try it yourself. You will not only look better, but you will feel better, too.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

S.S.S. The World's Best Blood Medicine.

Soldier Bradbury and Benny Dotson to fight the main event but Dotson has left Portland and it will be impossible to get him. He has been working hard to get some classy boys for the next fight and promises the fans their money's worth, however.

The fight was run on a strictly business like basis last season but are to be stricter this year, according to Plant. He is making it impossible for the fighters to come here and put on a poor exhibition. According to the present plans the fighters will be put on a contract before matched and must put up a \$50 guarantee that they will fight. As an added precaution he will give the winner a bigger percentage of the fight than the loser which made it hard to tell whether the two battlers would stall or fight. With the chance of losing \$50 and the bigger percentage Plant thinks that the bouts will be better as the fighters won't take the chances of losing their money.

The fight fans are also asked to refrain from smoking during the bouts as the fighters are forced to breathe the smoke which shortens their wind. Better fights can be had by stopping smoking.

RIFF CHIEFTAIN FLEES TO HILLS

Per. French Morocco, Oct. 9.—(AP)—Abd-el-Krim, the Riffian chieftain, hemmed in by the French advance from Kifane northward and the movement of the Spanish troops southward from Adir is reported to have taken refuge with his brother, Si Mohamed in the Beni Arous mountains, one of the most inaccessible of the Atlas range. He is said to be assembling reserves and munitions there.

Heavy rains continue to turn the valleys into quagmires, and the mountain brooks into raging torrents. This renders the French troops completely inactive; they are remaining on their positions captured on Monday last.
