The Mathloma, United States government dredge, began working on the Willamette river at Rice's bar, just below Keizer, today. The dredge has about 50 feet of bar to cut through, and will taper the channel off on both sides of the bar, making a total of about 180 feet for the dredge to clear before the Northwestern can come on through. Another cut will have to be made through a bar opposite the works of the Oregon Gravel company at Salem, rivermen believe, and possibly another cut will have to be made at Labor Exchange bar, opposite the county poor farm, before the steamer can complete its run. It is expected to take a week or 10 days.

The Cottage hotel, at 160 Court street, caught fire shortly before 9 o'clock this morning, with damage resulting which was estimated to total $500, most of it being to the roof, which was badly burned. Water from the apparatus of the fire department got on the plaster of rooms below, and also on some of the furniture, but without serious damage, it was stated. The loss was covered by insurance. Origin of the fire is unknown, but it is suspected to have started at the flu of the chimney. The flames were first noticed by Mrs. W. E. Sea, who immediately informed her husband. Mr. Sea notified the fire department, with the result that the flames were promptly extinguished.

$4618 IN BANKS ARE UNCLAIMED

Thirty-eight state banking, savings and loan concerns in Oregon have reported to Secretary of State Kozer commercial and savings deposits aggregating $4618.51 in moneys unclaimed for more than seven years in the case of commercial deposits and more than 12 years in the case of savings deposits up to June 1 last. This makes the deposits subject to escheat to the state. National banks are exempt from the escheat law. The deposits range from 1 cent to several hundreds of dollars. Of the total $3420.93 is commercial and $1197.58 saving deposits. By banks the deposits in Marion and Polk counties are:

Bank of Amity, commercial $31.60; Aumsville State bank, commercial $1.31; Dallas City bank, commercial $20.27; Bank of Mt. Angel, commercial $21.27; State Bank of St. Paul, commercial $40.84; Ladd & Bush bank, Salem, commercial $438.09; Turner State bank, commercial 25 cents.

AGGIES EASILY DEFEAT GONZAGA IN FIRST GAME

Corvallis, Ore., Oct. 10.—Coach Schissler's Aggies suffered one casualty in their 22 to 0 victory over the Gonzaga team here yesterday as Robbins, first string end, who made the first touchdown for his team, was taken to the hospital with a torn ligament. Robbins was taken from the game early in the second quarter after a vicious tackle laid him out.

Aggies' stock leaped wonderfully since the one sided victory yesterday over a veteran team undefeated for two years. Though the team play was ragged in a number of cases, Beavers displayed abundance of power in the line, improved tackling and blocking, good offense and defense in the passing game, and an accurate shifty back field. Their greatest weakness was in punting, averaging but 38 yards in 14 tries to 45 yards for the visitors.

COMPLETE EDITING OF 1925 HIGHWAY LAWS

Secretary of State Kozer has completed revising and editing the road, highway, bridge and ferry laws for 1925, and these have been printed and distributed according to law. The printed copies number 2500.

The secretary of state has had printed 500 copies of the combined senate and house journals of the 1925 legislative session. These are furnished to each member of the legislature, the four principal clerks of the two branches of the legislature, members of the supreme court and other state officials on application of the secretary of state. The state librarian is provided with 125 copies for exchange purposes with other state libraries.

MANY MOTOR OWNERS FAIL TO OBSERVE LAW

Of the more than 207,000 licensed motor vehicles in Oregon the owners of only 130,000 have so far applied to the secretary of state for certificates of title under the title law passed by the 1925 legislature, according to Secretary of State Kozer. About 100,000 certificates have been issued so far.

'Unless motor car owners who have not already done so apply for certificates of title immediately," said Secretary Kozer, "there will be such a congestion of applications around the first of the coming year, during the renewal period of licenses, that considerable delay will be occasioned in the issuing of 1926 licenses."

BEARCATS WIN FROM NORMALS SCORE OF 33-0

The Willamette university football team defeated the Oregon normal school eleven by a score of 33-0 on Sweetland field this morning in the first home game of the present season. The Bearcats made one goal during each quarter, with an extra one in the final period when one of the school teachers' numerous passes was intercepted. Although the local aggregation was never seriously in danger after the first few minutes of play, the game was close throughout.

The game was marked in general by a superiority on the part of the teachers in making distance by the aerial route, and a superiority by the Bearcats in making distance through the line. Except for an occasional stiffening in the second half, the Monmouth line failed to stop the Willamette attack.

Backfield Shows Speed

The Willamette backfield showed speed during most of the game, Baker and Collingsworth both going through for long gains, picking their holes consistently, although both being too light to make much yardage by straight line plunges. Stolzheise, fullback moved back from his old berth at tackle this season, used his weight to good advantage except for his failure to hit low. Baker and Collingsworth are both freshmen, the former coming from Springfield, Ill., and Collingsworth hailing from eastern Oregon.

The Willamette team used the huddle system of calling signals throughout the game, slowing the tilt down considerably.

The school teachers threw a scare into the local aggregation during the first few minutes of play, when a Monmouth forward ran some 40 yards across the goal line, only to be called back because of having run off side.

Normal's Passes

With consistent regularity the the normal school team uncorked forward passes which the Willamette players were unable to break up. The teachers tried perhaps twice as many passes as the Bearcats, completing many of them for long gains.

The first half ended with the score 12-0 in favor of Willamette, the locals having made a touchdown each quarter, and failed to convert both times. With one minute left to play of the second half, Willamette lined up for kickoff, kicked the ball some 20 feet diagonally across the field, and tried to recover as an on side kick. A Monmouth man got to the ball first, however, and the teachers immediately put over a forward pass for a long gain just before the gun sounded.

AUTO LICENSES SHOW INCREASE

Fees collected by the secretary of state from the registration of motor vehicles, dealers, chauffeurs and operators for the period from January 1 to September 15, 1925, amounted to $5,234,034.67, which is an increase of $562,830.07 over the corresponding period for 1924, says a statement by Secretary of State Kozer.

The total number of motor vehicles registered by the department over that period was 204,354, an increase of 21,004 over the corresponding period of 1924. Of these 16,004 were trucks and 188,350 other motor vehicles. The number of motorcycles was 2429, or 228 less than in the same period of last year.

Foreign motor vehicle registrations for September were 9178, as compared with 8401 for the corresponding month of 1924, an increase of 9.25 per cent, and 6852 for September, 1923, an increase of 34 per cent. The registrations for the first nine months of 1925 numbered 72,111 as against 68,033 for the same period of 1924. Every state except New Hampshire and South Carolina was represented among the motor vehicle visitors during September. Canada, Alaska and Hawaii were also represented.

FURIOUS FIGHTING RAGES FOR POSSESSION OF CANTON

Canton, China, Oct. 10.—Canton, a strike-torn city for the past several months, turned its attention today from the immediate situation to the advancing army of Cheng Kwing-Ming, who is attempting to close in the city with anti-foreign forces. Canton is being defended by field armies in charge of General Cheung Kai Shek. The fury of the fighting is indicated by the increasing numbers of wounded being returned from the battle front which is 60 miles distant. In the city the strike of Chinese against foreign activities remains in force.

BISHOP BROWN APPEALS TO COURT FOR ORDER

New Orleans, La., Oct. 10.—(A. P.)—Judge Louis H. Burns, in United States district court, issued an order today requiring the house of bishops of the Protestant Episcopal church and the presiding bishop of the house, the Right Rev. Athelbert Talbot, to show cause before him Wednesday, October 14, why they should not be restrained from passing sentence on Bishop William Montgomery Brown, convicted of heresy by two church courts.
