

TWO SILVERTON CONGREGATIONS WILL NOT UNITE

Silverton, Or., Oct. 15.—(Special.)—Trinity and St. John's congregations at Silverton will not unite, according to the reports received from the quarterly business meeting held by both congregations at their respective churches Wednesday night.

For some time the question of uniting these two congregations has been discussed. It was decided that this was the proper thing to do as both churches belong to the same synod. It was also thought that by uniting overhead expenses would be reduced a considerable amount. Committees were appointed from each congregation to act together on the matter. A report was drawn up suggesting the union of the two congregations. This report was submitted before each Wednesday night and rejected. In order to carry the vote had to be two-thirds majority for.

In St. John's church the report carried a vote of 42 for and 24 against. At Trinity church the report was rejected by a large majority.

The question of holding both English and Norwegian services each Sunday was then discussed in Trinity church but this was also rejected because it would interfere with the Sunday school work. About 275 attended Sunday school regularly. However, a change was made whereby services in the Norwegian language were confined to the first and third Sundays of each month. Sunday evening services will be conducted in the English language at all times and will be held every Sunday evening.

Another matter brought up at this meeting was the request of the community health council for a representative from Trinity church to act on the council. Miss Thea Jensen, a trained nurse, was chosen to fill this position.

Boils!

S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorders. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils. It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.
