STUFFY M'GINNIS IS CROWNED HERO FOR PITTSBURGH

Pittsburgh, Pa., Oct. 16—(AP)—A star of the by-gone years came to hover over Pittsburgh in its hour of greatest darkness and by its brilliance drew about it several little planets which for a time had been obscured by baseball's great smoke. Rain and fog were dispelled by the illumination of the great constellation.

For the Pirates of Pittsburgh today are champions of the world once again after sixteen long years and all of them are stars of magnitude, with the central planet carrying the grand old name of McInnis.

Great figures were many in the Pirates' epoch-making drive that cut down the mighty Walter Johnson at the last. Kiki Cuyler's double won the deciding game after Kremer's relief hurling saved it, but the greatest guiding influence of all was that of the old first base man of the old Athletics, the team mate of Jack Barry, Eddie Collins and Frank Baker, a man who had played behind the superb Jack Coombs, the peerless Chief Bender and the remarkable Eddie Plank. In the fifth game McKechnie, Pirate chieftain, turned to McInnis and sent him out on the field before a hostile throng in Washington to claim the title, which was fast slipping from his grasp. Washington had won three games and Pittsburgh one.

When McInnis went out to first base he took confidence with him. From then the Pirates team was reformed. The old head, stationed at the first corner of that youthful infield, worked marvels. When trouble threatened there came the firm words of McInnis across the field of play. When a moundsman faltered, the first baseman was at his side, urging him on. Stuffy can not be considered the hero of Pittsburgh's victory, but he was the pawn that checked.

INDIANS READY FOR ALBANY GAME

Chemawa, Oct. 16—Since winning four straight games this season the Chemawa Indian football team is happy once more and has been working hard to keep in shape for the rest of the games this season. George Bent, Athletic manager of the Indians has scheduled a game with Albany college to be played Friday, October 23. The Indians held a big celebration Wednesday night, following the defeat of the Salem high school their old foes.

Thompson, who received a broken finger and sprained ankle in the Salem high game, will be in the lineup against the Albany team while Fleury, who made a 60-yard run for a touchdown, is said to be in even better shape, having gained more speed and power. He had only been in uniform a few days at the time of the Salem game, it is said.

The Indians have their best eleven since 1920, having conquered every team they have met this season. Not more than one in any game has their goal line been crossed. They have defeated Benson Tech, 12 to 6; Commerce high, 25 to 6; Dallas high, 18 to 6, and Salem 20 to 7.

FIRST SUSPECT OF MURDER HELD

Milwaukee, Wis., Oct. 16.—(A. P.)—The first arrest in the hunt for the slayer of Madalynne Latimer, 19-year-old Milwaukee girl, and her fiance, James Sears, Kenosha, whose bodies were found in a field near Kenosha early yesterday was made at midnight last night when Milwaukee and Kenosha deputies took Howard J. Pratt of Milwaukee into custody. The deputies said they thought Pratt could throw some light on the case.

Pratt was arrested as he entered his home here. Deputies lay in wait for him for several hours. He is a conductor on the North Shore electric railway.

Early today two young men were taken into custody by Sheriff Williams who refused to divulge their names. He said, however, that both had been paying attention to Miss Latimer within a year and that one of them is married.

Questioning of the men was started at once after the sheriff apprehended them.

Portland, Or., Oct. 16.—Directors of the Portland chamber of commerce went on record yesterday against closing stores Armistice day. This action was taken after merchants and business men generally had reported against closing and reports also were gathered from other cities. American Legion members who might have occasion to join in a parade would be entitled to do so without loss of time, the directors indicated as guidance for employers.

BEWARE THE COUGH OR COLD THAT HANGS ON

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creomulsion Company, Atlanta, Ga.—Adv.
