Salem representatives left today for the forty second annual convention of the Oregon Woman's Christian Temperance union to be held Tuesday, Wednesday, Thursday and Friday of this week at the Hood River Methodist church, the president, Mrs. May Mallett of Portland, presiding. Other officers are: Vice president, Mrs. Rachel Ellis; corresponding secretary, Mrs. Ada Jolley; recording secretary, Mrs. Iva M. Colcord; treasurer, Mrs. Jane M. Donaldson; secretary Y. P. B., Mrs. E. S. Andrews; secretary L. T. L., Mrs. Maud J. Mills.

Considerable interest is manifested in the annual election of officers which is scheduled for Friday morning at 10 o'clock, especially in the choice of president. Mrs. Mallett has served re president for the past five years during which time the organization has been unusually active, its outstanding activity being the children's farm home at Corvallis, which has been put on a splendid working basis and is now caring for 120 children in five cottages. This home is managed by a board of directors of both men and women and of this Mrs. Mallett is a member. Mrs. Ward Swope of Portland, a prominent member of the organization, has been mentioned as a possible candidate for president but she firmly denies that she has any aspirations toward any office. If there are other candidates their identity is thus far concealed.

Why Quaker Oats "stands by" you through the morning ending premature fatigue

DO you feel tired, nervous, hungry, hours before lunch?

Don't jump to the conclusion of poor health. Almost 90% of the time you'll find it's premature fatigue, brought on largely by an ill-balanced breakfast ration. Thousands have "draggy" mornings for that reason.

To feel right, you must have well-balanced, complete food. You can't deceive nature into accepting breakfasts that lack even a single element toward correct food balance.

That is why Quaker Oats is so widely urged today. It is almost a perfectly balanced dish. Contains 16% protein, food's great tissue builder; 58% carbohydrate, the great energy element; is rich in minerals, and in vitamins. Supplies the "bulk" your diet needs to make laxatives seldom necessary.

Few foods have its remarkable "balance." That is why it stands by you through the morning.
