STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets the substitute for alcohol.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

National President To Speak

One of the most important meetings of the entire year of the Salem business and professional women's club will be held in the chamber of commerce auditorium at eight o'clock tonight when Miss Adelia Pritchard of Portland, formerly national president of the federation of business women's clubs in the United States, will address the club on the subject of the importance of the federation in the life of the business woman.

Members of the Portland club, and representatives from the leading men's organizations of Salem will be special guests of the Salem club tonight. In addition the honor guest will be Mrs. Louise Hacker, president of the Oregon state federation, and Miss Grace S. Toerner, director of the women's department of the Bank of Italy in Los Angeles who is the guest in Portland this week of Miss Pritchard.

A number of the state officers of the federation will be present at Miss Hacker's call a special meeting of the executive board for seven thirty this evening.

The evening's program will include several numbers by Mary McCrone-Hughes, soprano.

The Salem club, composed of more than 100 members, entertained the state federation in convention last June, had three representatives at the national convention in Portland, Maine, and under Miss Webster's leadership is taking a leading part in state activities. The most recent honor to befall the club was the winning by one of the members, Mrs. M. E. Brewer, of the contest conducted by the state federation for the naming of the State Bulletin, soon to be published under the supervision of the State Bulletin committee of which Miss Mame Zieglerman is chairman. Mrs. Brewer receives as a prize a national emblem pin, the title submitted being "The Oregon Business Woman."

Miss Louise M. Hacker, president of the state federation, has called a meeting of the executive council at 7:30 in Salem, at which time she will be the guest of honor.

The announcement of the marriage of Miss Hattie Day, eldest daughter of Mrs. A. E. Day, to M. J. Coleman of Denver, Colorado, has come as a surprise to the many Salem friends of the bride. Mr. and Mrs. Coleman left Tuesday morning for a ten day trip to the Puget Sound country. They will be at home to their friends in Salem after November 1.

Rev. and Mrs. Horace Williston Sr., who have been the house guests for several weeks of their son and daughter in law, Prof. and Mrs. Horace Williston, will leave shortly for California where they will spend the winter.

Last week Prof. Williston's aunt, Mrs. Warren A. Miller of Puyallup, Wash., was also a guest at the Williston home.

Mrs. Joseph Baumgartner will be hostess in her home at 835 D street on Saturday at a meeting of the woman's auxiliary of St. Paul's church.

"Autumn," a beautiful poem written by Mrs. Blanche M. Jones, and a story by Prof. Morton E. Peck of the folk living on one of the islands in the Caribbean sea, were the outstanding contributions of the evening when the writers' section was entertained last night at the home of Mrs. Ora McIntyre. Mrs. Jones' poem was printed recently in the Oregonian. It shows the remarkable development of Mrs. Jones' writing since she recently took up verse writing. Prof. Peck's folk story is called "The Story of the Man, The Alligator, and The Dog."
