Clubs are Active During Week

Matchless October days with just a hint of frost in the early morning, hills and roadsides covered with a blaze of autumn foliage that defies description, are making this one of the most beautiful autumns that can be recalled, even by the "oldest resident." Matrons and maids are enjoying these days to the fullest. Bridge clubs have their luncheon meetings. It is true, but the majority of the society leaders seem loath to commence the round of winter indoor festivities and the country club, the beaches, and the mountains continue to lure Salemites from the drawing and living rooms.

Outstanding among the affairs of the week was the wedding on Wednesday evening in the Joseph H. Albert home of Miss Mary Jane Albert and Axel T. Eoff, combining as it does, two prominent Salem families. Seventy-five relatives and friends from Salem, Portland, Eugene and points in Washington attended the affair with a number of the younger girls, many of them society sisters of the bride, assisting about the rooms during the reception which followed the ceremony.

Mrs. Louise Lachmund was hostess at an attractive luncheon in her home yesterday. Mrs. Karl Kugel entertained at two affairs in her Polk county country home on Thursday, and the first formal dance of the year of the Monday night dancing club early in the week was preceded by several dinners. Practically all other affairs of the week centered about the various social clubs which commenced their activities for the year within the last fortnight.

Today club women of Salem have as their guest Mrs. Saldie Orr-Dunbar who is president of the state federation of women's clubs. A luncheon was given in Mrs. Dunbar's honor at the Salem Woman's clubhouse this noon. The coming week promises to contain a number of affairs of wide interest including the Elks' reception on Tuesday and the Ennet Star social club dance in the armory on Thursday.

Mr. and Mrs. F. W. Durbin and Mrs. Ella Spriggs are at the Durbin summer home at Neekowin for several days.

Reception at Elk's Temple On Tuesday

A number of prominent Salem matrons, wives of leading Elks, will assist in the reception which will be held at the new temple on State street on Tuesday evening. Beginning at seven o'clock and until eleven an opportunity will be given to the people of Salem to view one of the finest temples in the west.

In the receiving line will be the officers of the local lodge and their wives, Mr. and Mrs. W. I. Needham, Mr. and Mrs. O. L. McDonald, Milo Raemussen, Frank Durbin Jr., Mr. and Mrs. Harry J. Wiedner Jr., Mr. and Mrs. Oliver J. Myer, Jacob Fuhrer, Mr. and Mrs. A. L. Fraser, Mr. and Mrs. U. S. Page, Mr. and Mrs. F. G. Delano and Howard Hulsey.

Those who will assist in showing the guests about the new temple will be Mr. and Mrs. Arthur Wallace, Mr. and Mrs. E. Cooke Patton, Mr. and Mrs. Clifford Brown, Dr. and Mrs. H. H. Ollinger, Mr. and Mrs. W. D. Evans, E. W. Hazard, Mr. and Mrs. Homer H. Smith, Mr. and Mrs. Thomas B. Kay, Mr. and Mrs. Chas. R. Archerd, Frank Wrightman, Mr. and Mrs. H. W. Meyers, Mr. and Mrs. Joe Adolph, Roscoe Shelton, Mr. and Mrs. J. C. Perry, Mr. and Mrs. Harry W. Hawkins and C. B. Wilson.

Mrs. Lena Belle Tartar, contralto, will give a recital in the First Congregational church next Friday evening at which time she will present several Italian songs, modern numbers and an aria. In the nature of an anniversary at a recital of this kind is Miss Tartar's plan to include a number of her advanced pupils on the program.

SEVERE CASE OF ITCHY ECZEMA

Broke Out in Rash and Affected Limbs and Face. Cuticura Healed.

"For months I did not know what it was to enjoy a night of unbroken sleep for I had a severe case of itching eczema which was a torture. It broke out in a rash and affected my limbs and face. A friend advised me to try Cuticura Soap and Ointment so I purchased some. The first application gave relief so I continued the treatment and in about a month I was completely healed." Charles Rigoutoy, of Paris, called the world's strongest man, who shattered the Olympic weight lifting mark, is now bossed by Magda Roone, film actress, who became his bride in the French capital.

Wedding At Turner Of Interest

Miss Ruth Edwards and Lester Sande were married on Wednesday evening at the home of the bride's mother in Turner. Rev. H. C. Stover of Salem officiated, and twenty-five relatives and intimate friends of the young couple were present.

Masses of autumn leaves, zinnias, and marigolds were lovely about the rooms. The ceremony itself took place before a bank of bright colored leaves and flowers before the fireplace.

The bride wore her going away costume, a navy blue ensemble and light fitting hat of russet velvet. Her corsage was of Cecil Brunner roses. Miss Vivian Leflingwell was the bride's only attendant. She wore a frock of navy blue made with cloth of gold. W. R. Lockett served as best man.

Preceding the ceremony Miss Mabel Edwards, the bride's cousin, played the wedding march from Lohengrin.

An informal reception followed the ceremony. Mr. and Mrs. Sande left soon afterward for Seattle.

Mr. and Mrs. Sande will be at home in the new Fisher apartments after the fifteenth of November. Both are well known in Salem. Mrs. Sande has been employed in the U. S. National bank and Mr. Sande is an assistant cashier in the First National bank in Independence. A number of pre-nuptial affairs were given for Mrs. Sande since the news of her betrothal was first announced.

Dr. and Mrs. M. C. Findley had as their house guest on Wednesday and Thursday their cousin, Miss Mozzelle Hair of Eugene. On Wednesday evening Miss Hair was a special guest at the state meeting of the business and professional women's club in the chamber of commerce. She is vice president of the state organization.

NEARLY INSANE AT TIMES

Mrs. Saunders Tells how Lydia E. Pinkham's Vegetable Compound Relieved Troubles of Change of Life

Knoxville, Tenn.—"I took Lydia E. Pinkham's Vegetable Compound while going through the Change of Life. I was very nervous, could not sleep and had melancholy spells. In fact, I was nearly insane at times and my memory was almost a blank. I was so weak I could not do my housework half of the time and suffered dreadfully with my back. My doctor said I would have to worry it out and I went through this for three years before I began taking the Vegetable Compound which I saw advertised. I think it was eight bottles that I took. It has been two years since I took any and I haven't had a doctor since for that trouble. I do all my washing and ironing and I have gained from 116 to 138 pounds. I advise all women who suffer physically and mentally as I did to give the Vegetable Compound a fair trial. I hope it will do as much for them as it did for me."—Mrs. T. A. SAUNDERS, 711 E. Depot Street, Knoxville, Tennessee.

Formal Tea At Lausanne Hall Today

Lausanne hall on the Willamette campus is the scene today of a delightful event which has traditionally become an annual affair—Miss Frances Richards' reception and tea for all of the university women, the wives of faculty members, of the university, of the law school and of Kimball college, the wives of trustees, and the women members of the faculty. The hours are from three thirty to five thirty.

Receiving with Miss Richards, who is dean of women at the university, is Mrs. Carl Gregg Doney, wife of the president, and Mrs. F. M. Erickson, wife of the dean. Junior and senior girls of the university are assisting in receiving the guests at the door and entertaining them in the drawing rooms. Sophomore girls are assisting in the dining room. During the afternoon Miss Evangeline Hall and Miss Eugenia Savage, pianist, and Miss Helen Selig, violinist, accompanied by Miss Louise Findley, will each play several numbers.

Masses of lavender, purple and bronze fall flowers were arranged about the drawing and dining rooms. The tea table has been placed in one of the small parlors adjoining the drawing room. Lavender chrysantheums in an opalescent bowl, lavender candles and lavender and blue candies have been combined in a particularly attractive effect on the tea table.

During the first hour Mrs. E. C. Richards and Mrs. W. E. Kirk will preside at the urns. For the last hour their places will be taken by Mrs. Alice H. Dodd and Mrs. E. T. Barnes.

MacDowell Concert on Monday

The first program meeting of the year of the Salem MacDowell club will be held Monday evening in Waller hall on the Willamette university campus. Associate members of the club and their guests have been bidden to the concert and reception which will be given by club members.

Of particular interest in this concert will be the appearance of Miss Dorothy Pearce who has returned only recently from study in Boston with Madame Antoinette Samowaska. Interpretation and solo work was stressed by Miss Pearce in her recent course. She is well known in Salem as a pianist and has appeared on the concert platform on a number of occasions. This winter she is continuing her work with Mrs. Paul Petri. Until Miss Wilfred Byrd left Salem Miss Pearce studied with her. In Monday's concert Edward MacDowell numbers will be given exclusively by Miss Pearce and the other members of the club.

I Trust Men

On face creams Notice my results

By Edna Wallace Hopper

For 40 years I have consulted experts on the utmost in face creams. They have all been men, and mostly Frenchmen. As a result, at a grandmother's age, I still have a baby skin. Many a young girl envies my complexion, soft and smooth and rosy.

I searched the world to find these helps, and spent a fortune. Most women cannot do that. So I am placing at every woman's call the best helps I have found. In my busy stage life I am urging you to try them.

One is Youth Cream. It contains products of both lemon and strawberry. Also the best that science knows to foster, feed and protect the skin. My own skin, envied by millions, shows how much it does.

My Youth Cream comes in two types—cold cream and vanishing. Both have the same essential ingredients. I apply the cold cream at night to foster my skin while I sleep. In the morning I use the vanishing type as a powder base, and as all day skin protection.

Now I am old, yet no debutante could want a finer complexion. That is largely due to my Youth Cream.

I wish I could induce every girl and woman to do what I have done. Do the utmost when you use a cream. I will gladly send a sample free to anyone. Learn what it means to you. Clip this coupon now.

ONE-PROFIT

Facilities Alone Make Possible

this Sedan of fine quality—at the lowest price ever placed on a Sedan by Studebaker

THERE was a time when the automobile buyer seeking greatest value for his dollar was justified in considering a car of second-grade quality, which was reasonably satisfactory from the standpoint of transportation alone.

But with the advent of Studebaker's One-Prof-it manufacturing policy, cars of the finest quality, such as the Standard Six Sedan illustrated below, are now only slightly higher in price than those of second grade.

This small difference in price is practically nothing in comparison to the vast difference in materials and workmanship—plus increased pride of ownership and the extra service that a Studebaker gives.

Under this One-Prof-it system we build in our own plants all bodies, engines, clutches, steering gears, dif-

ferentials, springs, gear sets, axles, gray iron castings and drop forgings. Thus we eliminate extra profits and overhead that all other manufacturers (except Ford) must pay to outside parts and body makers—and what we save goes to the buyers of Studebaker cars.

And because we have facilities for manufacturing all vital parts on this One-Prof-it basis, we are able to design, engineer and build every Studebaker car as a complete harmonious unit. Being Unit-Built, the Studebaker functions as a unit—with all the advantages of unit over assembled construction.

The result is years longer life—scores of thousands of miles of excess transportation—greater riding comfort—minimum repair costs—and, finally, higher resale value.

A UNIT-BUILT CAR

Value Stabilized by "No-Yearly-Models"

THE fine Studebaker Standard Six Sedan illustrated below is upholstered in genuine wool cloth. Carpets are wool. Windows are real plate glass. Four wide doors.

Equipment includes an 8-day clock, gasoline gauge, coincidental lock to ignition and steering gear, automatic windshield cleaner, ash receiver, rear-view mirror, stop light, dome light, safety lighting control on steering wheel, and full-size balloon tires.

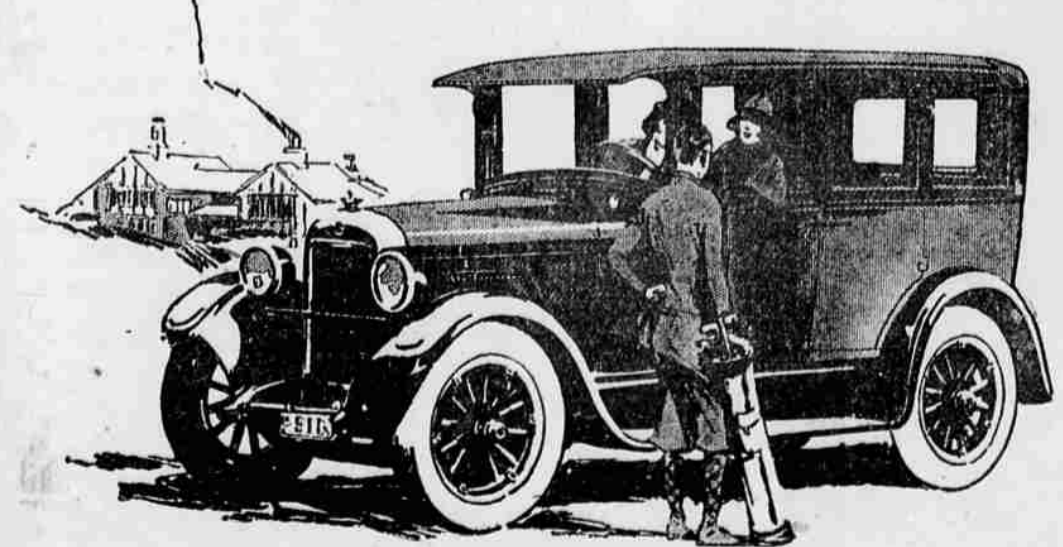

This Sedan has many superiorities—hidden as well as obvious. Body pillars are of fine northern white ash, cross-members of hard maple. We pay a premium for the best steels.

Slam the door and the sound says "quality." Swing on the door. Run one wheel up on the curb and note how the doors still open and close—how the motor still runs smoothly. Sit on the firm, heavy fenders. Try the steering gear. See how easily it handles the full-size balloon tires. Test the comfort of the deep, wide seats.

Run the engine—the most powerful in any car of its size and weight, according to the ratings of the N. A. C. C. and the Society of Automotive Engineers. This is Studebaker's lowest priced Sedan. Make comparisons—then realize why no car at a comparable price has more than superficial resemblance.

Come in and let us demonstrate this sturdy One-Prof-it car.
