

COOLIDGE MAKES THANKSGIVING PROCLAMATION

Washington, Oct. 27.—(AP)—President Coolidge today proclaimed Thursday, November 26 as Thanksgiving day when gratitude "should be expressed for many and great blessings" which have come to the people during the past year.

The nation has been brought with safety and honor through another 12 months, the proclamation said, as peace at home and abroad, with the public health good, with harvests and industries productive and labor well rewarded.

The proclamation follows: "By the president of the United States of America: "A proclamation: "The season approaches, when, in accordance with a long established and respected custom, a day is set apart to give thanks to Almighty God for the manifold blessings which His gracious and benevolent providence has bestowed upon us as a nation and as individuals.

"We have been brought with safety and honor through another year and, through the generosity of nature, he has blessed us with resources whose potentiality in wealth is almost incalculable; we are at peace at home and abroad; the public health is good; we have been undisturbed by pestilence or real catastrophe; our harvests and our industries have been rich in productivity; our commerce spreads over the whole world, and labor has been well awarded for its remunerative service.

"As we have grown and prospered in material things, so also should we progress in moral and spiritual things. We are a God-fearing people who should set our selves against evil and strive for righteousness in living, and observing the golden rule, we should from our abundance help and serve those less fortunately placed. We should bow in gratitude to God for his many favors.

"Now, therefore, I, Calvin Coolidge, president of the United States, do hereby set apart Thursday, the

twenty-sixth day of November, next, as a day of general thanksgiving and prayer and I recommend that on that day the people shall cease from their work and in their homes or in their accustomed places of worship, devoutly give thanks to the Almighty for the many and great blessings they have received, and to seek his guidance that they might deserve a continuance of his favor.

"In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed."

UNBEATEN TEAMS CLASH SATURDAY

New York, Oct. 27.—(A. P.)—The road to the mythical eastern gridiron championship of four unbeaten major eleven—Pennsylvania, Army, Cornell and Syracuse—is blocked by formidable opposition. Several other unbeaten teams have earlier tasks ahead.

On Saturday, Illinois will bring red granite on his first eastern invasion in an effort to stop Pennsylvania, the conqueror of Yale and Chicago.

At New Haven, Army, the conqueror of Notre Dame, must face a growling Yale bulldog. Cutler

and Kline, Yale backfield stars, have wrenched knees, but Coach Jones is so well fortified with reserve material that the power of his team probably will not be seriously affected.

Two other outstanding games will provide initial major tests in the east for Cornell and Syracuse, neither of which has yet been scored upon.

Home-made Remedy Stops Cough Quickly

Exact cough medicine you ever used. Family supply easily made. Saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes sweet, too—children like it—and it is pure and good.

Four 2 1/2 ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, loosens the phlegm, and soon your cough stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for healing the membranes.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
