

ASSOCIATION OF SCHOOL PATRONS PICKS OFFICERS

Portland, Oct. 29—(AP)—Mrs. W. W. Gabriel, president of the Ingham Parent-Teachers association of Portland, was today nominated for president of the Oregon State Teachers association in annual convention here. Mrs. George J. Perkins, present head of the state organization, refused to accept another term.

The other officers were nominated for re-election as follows: Mrs. Louis Dodge, Ashland, vice president; Mrs. Lillie Thomas, Portland recording secretary; Mrs. H. I. Elliott, Portland, treasurer; Mrs. W. J. Hawkins, Portland, historian. The corresponding secretaryship is an appointive office and is at present held by Mrs. F. B. Merry. Other nominations will be permitted from the floor, prior to election Thursday.

Reports of committees and officers were given this morning, among them that of the treasurer, which shows the association to have a balance on hand of more than \$1000. Mrs. B. I. Elliott, treasurer has been asked to accept the national treasurership.

In reporting on the magazine, J. O. Bailey recommended that the manager establish a sinking fund rather than turn in all profits to the state association. Three hundred dollars of the \$729 profits already have been sent to the state treasurer.

NEGROES CHEER DEPOSED BISHOP

Chicago, Oct. 29.—(A. P.)—A crowd of negroes and a few whites attending the American negro labor congress enthusiastically cheered declarations of William Montgomery Brown, deposed Protestant Episcopal bishop favoring communism and racial equality of negroes and whites last night.

"Long live communism!" he shouted. "Long live the American negroes on an equal footing with American Caucasians."

Others of his statements were: "I was railroaded out of the house of bishops at New Orleans; or perhaps I was Jim Crowed."

"Capitalism is politically bankrupt; the church supporting it is religiously bankrupt. Communism is sure to come."

"The only religion in the desire to make the most out of life."

"There is more hope for the workers in the international labor defense movement than in any other. The social system is now enslaving you. You are not trying to overthrow society, you are trying to liberate it from ignorance, class prejudice and hatred, ruin and oppression."

"I am trying to liberate religion from the supernatural."

He advised against concluding "that the church is bad," even though it generally supports capitalism against efforts to free the workers.

Yes! It's true—the world progresses. All you have to do nowadays to limber up that old stiff, creaky knee joint is to squeeze a half inch of nitrate working substance from a tube.

Says-Now Stiff Joints Must Go!

New Discovery Limbers 'Em Up and Even the Creaking Ceases

Then rub it on the offending part for about a quarter of a minute or until it soaks through the skin and disappears on its errand of mercy.

Then read the evening newspaper and go to bed.

The chances are that your misbehaving knee joint will lose its "creak" while you are dreaming about the high fences you used to leap when you were a youngster.

"And in the morning," says one who has tried the new discovery, "you'll feel so happy that you'll want to jump into your sportiest clothes and walk briskly down the street just to show the neighbors that you are not as old as they think you are."

Joint-Ease: They call this wonder working substance, for the reason that when ordinary remedies fail to limber up the stiff, inflamed rheumatic joint or reduce the swelling, Joint-Ease succeeds.

It's a good name for a good, clean, stainless prescription that in just a few months has proven to a multitude of people that lame, swollen, distorted joints can speedily have the kinks taken out of them and work as smoothly as ever.

But Joint-Ease is for bothersome joints, whether in knee, elbow, ankle, hip, shoulder, spine or finger, and for that purpose its sale, at 60 cents a tube, is immense.

Daniel J. Fry Drug Co. sells dozens of tubes of it every week and druggists everywhere report a big demand.

Always remember, when Joint-Ease gets in joint agony gets out—quick.

For Deep, Heavy Colds

Here is the best way to get rid of a bad cold. First apply hot wet towels over throat and chest to open the pores of the skin.

Then massage briskly with Vicks for five minutes, spread on thickly and cover with two thicknesses of hot flannel cloth. Leave the bedclothes loose about the neck so that the vapors arising may be freely inhaled. These vapors, inhaled with each breath, carry the medication directly to the affected parts.

At the same time Vicks is absorbed through and stimulates the skin, helping the vapors inhaled to relieve tightness and soreness.
