What are high school kids for if not to run the school? Salem's old fashioned school board is more disobedient than parents. We'd suggest that you trade your $10,000 home for an income property in Corvallis and take the children down there where the school board doesn't spank so hard; or how would it suit you to trade an improved 10 acre paved road home for a new, strictly modern Salem home; or who wants a nice northern California 40 acre $8000 alfalfa ranch for a small tract near Salem; or who wants a couple of Portland acres worth $1200 and $500 as first payment on a good Salem home.
