

GOVERNOR ELECT TO SEEK CHANGE IN VOLSTEAD ACT

Newark, N. J., Nov. 5.—Successful in his candidacy for governor of Jersey City as an avowed wet, A. Harry Moore, democrat and commissioner of Jersey City, is going to try to have congress modify the Volstead act.

Moore yesterday defeated State Senator Arthur Whitney, republican who declared for enforcement of the Volstead act and the state enforcement act.

Moore, with virtually complete returns tabulated, had a plurality of 42,152. The vote was Moore 448,929; Whitney 406,777.

The campaign extended over six months. The wet and dry issue entered early when the Anti-Saloon League endorsed Senator Whitney.

Moore's election in a state which last year gave President Coolidge a plurality of 370,000 was seen as increasing the prestige of Mayor Frank Hague, head of the Hudson county democratic committee. It was in Hudson county that Commissioner Moore piled up the enormous plurality of 106,030 votes that gave him the election.

The third congressional district in South Jersey elected a real estate broker in Asbury Park, will succeed his father, the late T. Frank Appleby, who died in office.

COUNT INSISTS HE WILL MARRY STAR OF STAGE

Paris, Nov. 5.—(AP)—Young Count Stanislas de la Rochefoucauld could firmly refuse to break off his engagement to marry Miss Alice Cocea, a musical comedy star, and the blue blooded de la Rochefoucauld family is in despair. Miss Cocea made her debut on the stage when she appeared in Phi-Phi during its phenomenal run.

The day has passed when a Frenchman could not marry with

out the consent of his parents. Now, if between the ages of 21 and 25, he has only to inform his parents by two "respectful summonses" of his intention to marry, and after he has reached the age of 25 he is free to marry when and whom he chooses. Stanislas is 23 and has made his "respectful summonses" in due legal form.
