SALEM BOYS ON DEBATE SQUAD AT UNIVERSITY

University of Oregon, Eugene, Oregon, November 6.—Benell McCroskey and Avery W. Thompson of Salem were chosen in the debate preliminaries to be members of the university debate squad for the entire year. McCroskey is a member of the varsity squad and Thompson of the freshmen team to meet O. A. C.

New men will be used in every debate this year, according to plans of J. Stanley Gray, head forensic coach. This will include the freshmen debaters, as well as the varsity in order to give a larger number of students an opportunity for forensic experience.

Men's dual varsity debates this year will be scheduled with O. A. C. and probably with Stanford. Tri-annual debate will be held with Idaho, Washington and Oregon, according to arrangements of Jack Hemstead's men's debate and oratory manager.

A radio debate with the University of Southern California will probably be arranged by the extension department to be held in Portland over KGW, the manager announced.

AUBURN

Auburn, Or., Nov. 6.—Mr. and Mrs. Harry Armstrong had a house full of guests who were turning through Oregon, Mr. Armstrong's cousin, William, and family who reside near Teko, Wash., and via a large grain farm just across the line in Idaho. He reports a bumper crop. Accompanying them was his wife's sister, Mrs. Gunderson of Spokane, Wash. They are en route to Los Angeles for a vacation trip. Mr. Armstrong's cousin, Walter Armstrong, and family composed another auto load. They are making their home in Portland. Mrs. Roy Marshall of Salem and Mr. and Mrs. Armstrong, Sr., completed the festive group.

N. A. Newbill is out again after about two weeks' siege of grippe.

A few jolly visits were made Halloween evening but no rough jokes have been reported.

Friday being the wedding anniversary of Mr. and Mrs. Charles W. Cady, they were invited to dinner at the home of Mr. Cady's sister, Mrs. G. L. Cummings. They were pleasantly surprised, however, when upon their arrival they found about twenty-five relatives and friends gathered who greeted them with a jolly imitation charivari, with bells, clogs, pans and all. Everyone had brought a basket of eats and a sumptuous repast was spread and served cafeteria style. Later in the evening the couple were led to the west porch doorway and invited for another year William Stewart in a style which provoked much laughter. The couple were recipients of several appropriate gifts.

William Hamden is making several improvements to his property here, among which is a new concrete basement under his house.

E. Jels, who had both hands seriously bitten by a cat about a month ago, is able to work a little now.

A. Hammer has gone to Newport for his health, having recently recovered from a serious case of pneumonia.

Mr. and Mrs. George Hammer have been visiting at the home of their parents, Mr. and Mrs. Aaron Hammer.

If Past Fifty, Stop "Physics"

While Dr. W. B. Caldwell of Monticello, Ill., a practicing physician for 47 years, knew that constipation was the curse of advancing age, he did not believe that a "purgative" or "physic" every little while was necessary.

To him, it seemed cruel that so many constipated old people had to be kept constantly "stirred up" and half sick by taking cathartic pills, tablets, salts, calomel and nasty oils every day or two.

In Dr. Caldwell's Syrup Pepsin he discovered a laxative which regulates the bowels of old folks. A single dose will establish natural, healthy bowel movement for weeks at a time, even for those chronically constipated. Dr. Caldwell's Syrup Pepsin not only causes a gentle, easy bowel movement but, best of all, it is often months before another dose is necessary. Besides, it is absolutely harmless and pleasant to take.

It past fifty, buy a large 60-cent bottle at any store that sells a medicine, and just see for yourself.
