Before and After

BABY WITH TEETHING RING AND DOG

An enterprising photographer won a prize of \$250 for these pictures. The top shows the dog with the baby's teething ring, while the infant howls in anger at the loss. The other depicts the youngster evidently cooing in satisfaction at the recovery of his stolen property. Note the toes turned down as a sign of distress in one case, and curled upward as a sign of supremacy in the other. Looks in the second picture as if the dog is ready for another try for the ring.

Mrs. Young Is Hostess At Bridge

One of the most attractive of the month's smaller bridge parties was an event of Wednesday when Mrs. Donald Young entertained a group of the younger matrons in her home. Honors of the afternoon were won by Mrs. Orris Fry and Mrs. Karl Decker.

Chrysanthemums in shades of yellow and bronze were arranged in baskets about the living rooms of the Young home.

Guests of Mrs. Young were Mrs. Hollis Huntington, Mrs. Orris Fry, Mrs. Paul Hendricks, Mrs. Clifton Irwin, Mrs. Allan Carson, Mrs. John H. Carson, Mrs. Harry Hawkins, Mrs. Dwight Quisenberry, Mrs. Dan J. Fry Jr., Mrs. Karl Decker, Mrs. Bert T. Ford, Mrs. Clifford Farmer and Mrs. Carl Nelson.

Mr. and Mrs. Asel Eoff (Mary Jane Albert) whose wedding on October 21 was an outstanding affair of the month have returned from a two weeks trip to California. They spent the greater part of the time in San Francisco.

ARE YOU ONE OF THE 98 PER CENT?

Recently the Lydia E. Pinkham Medicine Co., of Lynn, Mass., sent out over one hundred thousand questionnaires to women who had used Lydia E. Pinkham's Vegetable Compound, asking if they had been helped by its use. From the replies received 98 per cent of women, from all walks of life, answered in the affirmative, telling how they had been relieved from the various ailments for which they had taken it. Isn't this a wonderful recommendation for the efficiency of this old-fashioned root and herb medicine.—Adv.

That Wonderful Quaker Flavor

Is true Scotch flavor—only QUAKER OATS has it

THE one thing to remember in buying oats is that Quaker Oats has the flavor you want. The difference is great.

Oats, originally a Scotch dish, must have a certain Scotch flavor.

That's real Scotch tang to that Quaker flavor.

No other brand has it. None successfully imitates it. It's due to exclusive Quaker milling of the finest, plumpest oats. Milling methods which took some 50 years to perfect.

Makes all the difference in the world. Quaker flavor spoils folks for ordinary brands.

Quick Quaker cooks in 3 to 5 minutes. No kitchen muss busy mornings. Faster than plain toast.

Due to Quaker milling methods, it supplies, too, the "roughage" you need to make laxatives seldom necessary.

How to stop BOILS!

There's only one way to stop boils. Stop the cause of boils! That's common sense—isn't it? All right. Boils thrive because the blood gets so weak in healthy, red cells that it can't throw off the impurities that get into the body. There's not enough rich, red blood to purify the system.

Now—S. S. S. builds back the blood to fighting strength. S. S. S. builds red-blood cells—builds them by the millions! Boils dry up! S. S. S. is the thing. Impurities that cause boils and other skin eruptions can't stand up against the rich, healthy, red blood that S. S. S. builds. That's all there is to it.

Stop boils with S. S. S. It's the way. Get it at any drugstore. The larger bottle is more economical.
