## LUTHER LEAGUE CONVENTION AT SILVERTON ENDS

Silverton, Nov. 10.—(Special)—The young people's Luther league and the Lutheran Sunday school closed a very successful joint convention at Silverton Sunday afternoon when close to a thousand people gathered at the Eugene Field auditorium for the final session.

The convention Friday evening at St. John's church with the address of welcome by Miss Hannah Olson of Silverton. Rev. C. Loosen led in the devotion exercises Friday evening, and the main address was given by the Rev. N. M. Ylvesaker, executive secretary of the young people's Luther league of America.

The business meeting was held Saturday morning at Trinity church and at this time officers were elected. Rev. George Hennrichsen of Silverton was elected president; Inga Larson of Eugene, vice-president; Hannah Olson of Silverton, secretary; Mrs. I. M. Stubbs of Chinook, Wash., treasurer. Board of directors include the following: Tom Kaarhus of Eugene, Miss Boddling of Portland, Elmer Hauke of Astoria, and Rev. Mr. S. Bjelde of La Center, Wash.

It was decided to leave the choosing of the place for the next convention to the board of directors. It was voted that the board of directors with the Portland pastors negotiate for the 1927 convention of the Young People's Luther League of America to be held at Portland.

The third session was held at St. John's church Saturday afternoon. The work of this afternoon was devoted to a round table discussion for the Sunday school teachers. Rev. Mr. Hennrichsen opened the discussion and stated that not only the church, but also the state is in need of more religious and recognizing the great need of elementary Christian education, and that the state has passed laws to encourage and help the church in this respect. He deplored the fact that the city of Silverton as well as all the Lutherans throughout the state turned down the Gary plan for Christian education. He stressed above all the danger of a church becoming a prodigal church which strays away from its youth. He also deplored the teaching of evolution in the public schools.

The fourth session was held at Trinity church Saturday evening when Rev. Theodore Hokenstad of Seattle spoke on "The Life Worth While." Miss Esther Towe of Silverton gave a paper on "Christian Education."

Rev. N. M. Ylvesaker spoke on the work of the Y. P. L. L. which this year centers in helping students who wish to enter the ministry. A scholarship fund has been provided for this cause and it was decided to give the money in the treasury of the circuit to assist in the support of this scholarship.

Sunday morning the Rev. Mr. Ylvesaker delivered the sermon and music was furnished by the joint choirs of St. John's and Trinity churches.

The final session was held Sunday afternoon at the Eugene Field auditorium.
