\$895~at these prices the world's greatest "Six" values \$1095

[Price alone means nothing ~ the real thing is ~ what does the price pay for]

"... beauty never before seen in a popular priced car" ... "Pullman comfort compared with a day coach when I think of other sixes" ... "indeed a real automobile" ... "remarkable engineering" ... "better than other cars which cost me twice as much" ... so say owners of the Overland Six.

Distinctive beauty
About either of the two Overland Six Sedans there is an unmistakable air of distinction and beauty—these are no ordinary cars built in quantity to sell at a price. They are the summing up of the best that motor car building can give... they look it in every line... in the charming and distinctive colors... in the rich trimmings... in the low graceful lines... in the upholstery. Critical buyers have only words of praise.

Delightful roominess
There are 16 1/2 cubic feet more room in these sedan models than you find in the ordinary six. That's room enough for 1 1/2 people. But in the Overland Six it is the extra room which means comfort and enjoyment on long trips. No one is crowded... there is room to move around... no one is cramped... the driver has all the leg room he will ever need.

Surprising convenience
Women know what Baker velvet is. That is what is used in the de luxe model... dust proof... moth proof. And there are handy pockets, generous

In dimensions, to carry bundles. The upholstery is the standard sedan is a practical, hard wearing fabric that will stand the roughest usage... just the kind of cloth where there are kiddies or when you want to store your camping outfits inside and hike for the long trail.

Superior engineering
An internationally famous engineer calls it "an engineering masterpiece"... lightning getaway... tremendous power... slanting you cannot break down... and an economy you can find in no other six-cylinder motor. Drilled crankshaft... engine, clutch and transmission in one unit... straight line drive... low center of gravity.

Come—see this master car
Learn by inspection... by demonstration... just what remarkable values are offered in the two Overland Six sedans. Come prepared to compare with other cars. But see it... whatever else you do.

Easy terms to suit
The down payment is small—the monthly payments can be arranged to suit your pocketbook. And we will accept your present car as part payment.
