COMMISSIONER OF LINN COUNTY 18 YEARS DEAD

Albany, Or., Nov. 15.—Thomas Jefferson Butler, 77, for 18 years a Linn county commissioner, died at his home here Friday night. The funeral will be held tomorrow afternoon at 2 o'clock at the Methodist church here. Burial will be under the auspices of the Masonic lodge.

Mr. Butler was born February 29, 1848, in Marshall county, Ind. He remained there until he was 15 years of age, going to Illinois in 1863, and later to Missouri, where he joined the state militia the following year. He returned to Indiana in 1871, but six months later came to Oregon.

He had engaged in railroad work previous to coming to Oregon and resumed that work upon his arrival in Portland. He entered the employ of the California & Oregon Railway company, later working with the Oregon Pacific, the Northern Pacific and the Borealis & Hamath lines. He was elected county commissioner in 1904 and remained in office through re-election until he resigned in 1922. During his administration he built 206 bridges for the county, leaving specialized in bridge construction while in railway work.

Mr. Butler is survived by his widow and two children. The children are Isaac Butler and Mrs. Agnes Fullerton, both of Portland. A brother and a sister also survive. He was a member of the Odd Fellows' lodge and of the Masonic, as well as Al Kader shrine, Temple Commandery No. 3, Bayley chapter No. 8 and the Scottish Rite.

STOCK COMPANY HERE LAST TIME TUESDAY NIGHT

"Johnny Get Your Gun" a comedy drama that enjoyed a year's continuous run in one theatre in New York, and another year as a successful road show, will be the offering of the Forrest Taylor Dramatic stock company when it returns here next Tuesday evening for a one night engagement at the Hefflig theatre.

Although "Johnny Get Your Gun" sounds like the title of a war play, nothing could be further from the truth. It is a comedy drama, pure and simple, with no hint of war in it. Reviewers have described it as sparkling in its wit, perfect in its construction, and thoroughly enjoyable in every line and scene.

The central character in the play to be portrayed by Forrest Taylor, is the motion picture hero type, not the namby-pamby leading man, but the real hero—the wild ringer, cliff-jumper, straight shooting dare devil of the films. This youth brought into the society of the effete east, proves a riot of fun and cheer.

There are 16 characters in the comedy, and "Johnny" gives them all something to think about when he arrives on the scene. The plot of the play is laid in a motion picture studio of the coast, and calls for some queer stage effects that the average theatregoer never sees.

The play was written by Edmund Lawrence Burke and was first produced in New York by John Cort. Forrest Taylor, supported by Miss Anna Berryman, will present it here with an especially augmented cast.

PRINCESS PAT CORPS SURVIVOR PASSES ON

Chicago, Nov. 15.—(A. P.)—Charles H. Lamb, 54, a major in the Canadian army in the World war and one of the 23 survivors of the famous Princess Pat regiment, died here yesterday as the result of war gas poisoning. Lamb was the possessor of the Victoria cross and also the king's cross, awarded for exceptional bravery while wounded. He enlisted as a private at Vancouver, B. C., after escaping from the German colony at Pingtan, in the Philippine islands.

Lamb also was a veteran of the Spanish-American war and later was governor of Mindanao and superintendent of the penal colony at Palawan, in the Philippine islands.

EGGS USED AS COINS IN ARMENIA

Erivan, Armenia, Nov. 14.—(A. P.)—Eggs are being used as currency in the Kara Kala district of Armenia, where the American Near East relief is operating. Twelve of the eggs are accepted on their "face value" as equivalent to one ruble, or fifty cents in American currency. If any of the eggs prove bad they may be returned as "ill-fated tender."

The new form of "currency" is made necessary owing to the difficulty of getting the regular soviet money to Karakala, which is buried deep in the mountains of Armenia. A pair of American shoes in Karakala costs 200 eggs.

Miss Dorothy Stratton of New York City, who is in charge of the relief work in that area, reports that live chickens also are coming into use as currency, one chicken being accepted as a ruble and a hen, or 75 cents in American money.

FALLS CITY MAN KILLED IN WOODS

Falls City, Or., Nov. 14.—The tragic death of Walter Clyde Webber, Thursday evening, at camp 12 of the McNary Logging company near Toledo, came as a shock to the community as he and his family had spent the summer at their home here and had left there only two months ago. Mr. Webber was a young man and was known in the camp where he had worked at intervals for many years. He is survived by his widow and a small daughter, Dollysia, aged three years. He was a member of the Falls City lodge of Masons and was buried today at Tillamook, services being conducted by the Masonic order.

Repaid This Man A Dozen Times

"I have been repaid a dozen times over in improved health for every dollar I spent for Tanlac, and the medicine is still building up my life," is the striking statement of Joseph DeSore.

"Tanlac has driven pain from my body that had troubled me for ten years. Besides backache, which almost killed me at times, I had rheumatic pains and swelling in my hands and legs, my circulation was poor, feet always cold, nerves weak, my stomach didn't feel right, I had regular headaches and I was a discouraged man.

"I have never seen the equal of Tanlac in my life. It has more than doubled my appetite, my stomach feels great and my general health is so improved that I can not praise Tanlac enough for what it has done and is still doing for me."

What Tanlac has done for others, it can do for you.

Tanlac is for sale by all good druggists except no substitute. Over 40 millions of bottles sold.

LITERARY SOCIETY PROGRAM PLEAS

Chemawa, Or., Nov. 15.—The annual open session of the Winona literary society was given in the school auditorium Saturday evening.

The welcoming address was given by the president, opening songs by the society members. Song by the Winona octette, monologue by Frances Nicholas. K. P. band, led by Virginia Brickell. Instruments were made out of jazz horns and auto horns. Instrumental duet by Edna Audette and Harriet Hill. Monologue by Evelyn Whitebear.

A playlet, "Flapping of the Flappers," was given which was exceptionally well received. The play dealt with an old maid's convention. The old maids were very desirous of getting a husband, no special man being chosen, just anyone would suffice according to them.

Professor Pinkerton, played by Evelyn Whitebear, had perfected a machine to transform the old maids into young maidens. The transformation was exceptionally good.

FORMER SINGER SEEKING WORK

West Salem, Or., Nov. 15.—R. F. Raymond, for some dozen years a singer on the vaudeville stage, but of recent years a worker at jobs here and there in the northwest, has purchased a home here with the intention of living here permanently with his family. His vision being slightly impaired, he intends to get a job doing some kind of work that does not take close labor with the eyes. "I can earn some money at something, all right," he says. He can work with small machinery, he has done repair work in a small way.

Mr. Raymond appeared on the vaudeville stage in Salem several times, the last time being in 1911. "I gave it up," he says, "because a man can't take his wife and family along with him and anyway I just got away with it any more, since they introduced this modern jazz." When he appeared on the stage he sang songs of the semi-classical type.

The Raymond family moved to this vicinity from the Puget Sound district last spring. The entire family picked loganberries, blackberries, strawberries and hops. Mrs. Raymond is now preparing herself to take the December examinations to become a school teacher. She taught in the vicinity of the Waldo Hills for a few years up until the time she was married, 19 years ago.

If anybody wants his services at a reasonable wage, Mr. Raymond says, they can communicate with him by general delivery, Salem.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creosote, an emulsified creosote that is pleasant to take. Creosote is a new medical discovery with two-fold action: It soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creosote contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creosote is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold is not relieved after taking according to directions. Ask your druggist. Creosote Company, Atlanta, Ga. (adv.)

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feed young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

Overwrought Nerves

YOU never heard of a red-blooded person—man or woman—becoming nervous. And you never will. You never saw anybody with healthy, rich, red blood, get worried by the activities of daily life. Did you?

Not! It's weak blood—lack of healthy, rich, red blood. That's the weak trouble with those whose nerves are overwrought. They lack the resisting powers—the stamina that healthy, red-blood-cells give that enable us to stand up under the strain of daily life.

S. S. S. is the salvation of these unhappy people. It is just the thing needed to strengthen the nerves, restore muscular power to the body, and increase the endurance of weak, failing, run-down women and men.

Don't keep on going down simply because your blood is starving for what's healthy, red-blood-cells. You can get back your nerve power with S. S. S. You can do it just as surely as thousands have done for the past century.

S. S. S. also clears the skin of pimples, the throat of hoarseness, the bowels, cures—helps—check checks fall out and firm flesh takes the place of flabby muscles. Why, you'll begin living all over again. Get S. S. S. today from any good druggist. And get the larger bottle. It's more economical.

BASKETBALL STARTS IN SILVERTON HIGH

Silverton, Or., Nov. 15.—(Special.)—Although the official season is not open, preliminary basketball practice is under way at the Silverton high school. As a great number of the boys are still occupied with football, not a very large crew has been out for basketball practice as yet. Ten boys have reported.

The girls are making a better showing as thirty responded to the first call for basketball material. Of this but three were lettermen of the victorious team of last season. These three are Nina Rim, Helga Jorjenson and Florence DeSart. However, it is said that some of the new material is very promising. The plan for this season is to organize five or six teams. The teams will play one another in a tournament and the two winning teams will be given a banquet at the close of the season by the logging clubs.
