WOODBURN SEES CHILDREN STAGE HEALTH PAGEANT

Woodburn, Nov. 18.—The entire group of pupils from both grade schools in District 103, Woodburn, Oregon, joined in presenting a colorful as well as musical pageant in the high school gymnasium Friday evening, Nov. 13. The pageant entitled "A Visit From Mars" consisted of eight episodes introduced by the march of the chorus, the 11th and 12th grade pupils, and the entrance of the Mayor of Healthtown and his attendants, the sanitary inspector and the health officer, these parts were enacted by Adrian Schoeler, Donald Covey and Ray Stansbury. News of the coming of five health officers from Mars was received by radio, and shortly after the plane landed outside city limits

of Healthtown, and the distinguished guests approached being welcomed by the chorus the mayor and his attendants then followed five episodes; namely: keeping Healthy town clean, by the East Side school; a morning in Healthtown, by the fourth grade; milk, the drink of Healthtown, by the fifth grade; good food,—the muscle builders of Healthtown, by the 4th grade; and exercise and play in Healthtown, by the first, second and third grades of the West Side school. These five episodes were lively demonstrations of health habits and called forth a general response on the part of the audience. The costumes were effective and suggestive, and every contribution to a constructive health program. The attractive floats of fruits and vegetables, the unique milk bottle down with his gallon-a-day table, all added to the effectiveness of the picture, and the general enjoyment of the evening. At the departure of the Martian visitors a clamor arose among the merry troupe of Healthtown children to accompany them. Miss Alice Schmitt was chairman of the committee in charge. Her co-workers were Margaret Tweedie Davenport, and Mary Karta.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

ASSOCIATED GASOLINE

MORE MILES TO THE GALLON

C L E A N

"Why such stress on cleanness in gasoline?" A fair question. The answer you'll find interesting.

You can readily understand why a physically clean gasoline makes the better motor-fuel. Certainly—and Associated is purified by special processes, one of which is well-defined, complete filtration.

Another kind of cleanness is expressed in terms of chemistry and has to do with "boiling points." Associated Gasoline is distilled by a method which gives to this clean motor fuel, the correct "chain" or range of boiling points. They start at the more volatile parts and gradually rise, on through the heavier or power-producing parts or "fractions"!

That is why each charge ignites instantly and "burns" or explodes completely on the down stroke, yielding every ounce of energy, and leaving no unburned or wasted fuel to gum up the cylinders. That describes clean cut action—honest gasoline—"more miles to the gallon"—sustained quality.

Associated Gasoline

MOTORMATES

—Sustained quality as applied to Associated Gasoline and Cyclo Motor Oil means that these two products will give you economical motor operation, always!

A Word to the Wise

"In March I was called to the bedside of my sister, Mrs. Brewster, Alabama. She was given up to die and was almost dead. Talked in a whisper. Doctors said nothing but an operation would save her and she was too weak for that. Her color was yellow as a pumpkin and she was filled with gas. That day I heard of May's Wonderful Remedy and went and got a bottle for her. In three weeks she was able to be about and walked a mile to church. I am praising your medicine to everyone." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, D. J. Fry and druggists everywhere.—Adv.

Healthy Hair

Gleamy, Thick, Wavy—Full of Life

Modern style in hair dress, particularly constant curling and waving, is slowly burning the color, lustre and very life from the hair, leaving it dry, faded, brittle, streaked with gray; often the hair roots shrink, then the hair falls out fast. A 25 cent bottle of refreshing, fragrant "Dandine" will do wonders for any girl's hair. The vitalizing beauty tonic acts on the hair like fresh showers of rain and sunshine act on vegetation. It goes right to the roots, invigorates, nourishes and strengthens them, helping the hair to grow thick, healthy and luxuriant.

Try this for one week! While combing and dressing your hair, moisten your hair brush with a little "Dandine" and brush it through your hair—the effect is startling! Your hair immediately takes on new life and that healthy, youthful lustre, becomes incomparably soft, wavy and appears twice as thick and abundant.—Adv.
