

MARION COUNTY READY TO START FREE FERRY NOW

"We stand ready at any time to meet the county court of Yamhill county 50-50 on the proposition of a free ferry at Wheatland," was the statement of County Judge Hunt and County Commissioner Smith today.

"Several months ago when the court of Yamhill met with us to discuss the ferry, the Yamhill court urged an arrangement whereby we were to pay two-thirds of the expense and that court one-third. We put forward a 50-50 proposition and are ready to enter into such an arrangement at any time. The Yamhill court at the time stated it preferred to develop the road from Hopewell down to where it meets the Lincoln road and would take up with Polk county the matter of making a market road of the Lincoln road from the Yamhill county line down to the Dalles-Salem road. We understand that Polk county has made some surveys along this road.

SAYS HUBBY DESERTED HER ON SICK BED

Frances Zenzen, in an answer to the divorce complaint of Herbert Zenzen, in filing a motion for change of venue of the cause from here to Portland, declares that her husband got up and left her in Portland with a child born November 22, 1924, and also with her own four-year-old child from a

former marriage, and the next she knew she was served with a divorce complaint. She declares she has no money with which to come to Salem, is a frail woman and that it is imperative the case be heard in the Portland courts. She says two months ago they moved to Portland, paid house rent for a month and he started looking for work and suddenly left saying he was not coming back. Nevertheless, she says, she waited expecting him back, but the answer to her expectations was the divorce complaint. Which avoids that "powdered" look

Now we have created Palmolive After Shaving Talc. A powder made especially for men with many advantages you'll delight in.

A powder that takes away that after-shave shine; yet that's invisible on the face. A powder that avoids that "powdered" look.

An amazing shaving cream

Palmolive Shaving Cream, as you know, is a unique creation—an amazing shaving cream. We started by asking 1000 men what they most desired in a shaving cream.

Then step by step—by making and testing 130 formulas—we met their desires to the utmost.

The result is a new attainment, superior we believe in 5 important ways to any shaving cream you have ever known. It will give you a new conception of what shaving cream can do.

Men have welcomed it as they have never welcomed anything in this field. Millions have changed from old-type shaving creams. 80% of the men who use it were won from rival makes. Palmolive Shaving Cream, in a few years, has become the leader of the world.

5 Unique Features

- 1—It multiplies itself in lather 250 times.
- 2—It softens the beard in one minute.
- 3—The lather maintains its creamy fullness for 10 minutes on the face.
- 4—Extra-strong bubbles that support the hairs for cutting, where weak bubbles let them fall down.
- 5—Olive and palm oil content has a lotion-like effect on the skin.

For a FEW days only

Now we offer you both Palmolive Shaving Cream and Palmolive After Shaving Talc at the price of the shaving cream alone.
