Lemons Tighten Wrinkled Skin

Squeeze the juice of two lemons in a bottle containing one ounce of Orchard White, which any drug-gist will supply for a few cents, shake well and you will have the very mildest anti-wrinkle lotion to tighten relaxed skin, erase fine lines and eradicate crows feet.

Massage this sweetly fragrant lemon lotion into the skin at night. P morning most of the tell tale wrinkles, tired lines and crows feet are smoothed out, giving a more youthful contour to cheeks, chin, throat. It leaves the skin velvety soft, clear and fresh.

Beauty experts use this astringent lotion for enlarged pores, also to bleach and whiten sallow, tanned skin.

Milk is harmless lotion you use. Use it as soon as possible after prepared.—Adv.
