

ROTARIANS HEAR

MRS. ALICE DODD

Mrs. Alice Dodd, representing the Eccllesia organization, Salem's latest luncheon club, which consists entirely of women and is patterned after the Rotary, Kiwanis and Lions clubs, was chief speaker before the Salem Rotary club at the Rotary luncheon Wednesday. Mrs. Dodd spoke on Turkey, which she visited a number of years ago, describing conditions there and briefly analyzing the history of the country.

TELEPHONE GIRL NOW WELL

Suffered Two Years. Relieved by taking Lydia E. Pinkham's Vegetable Compound

Marshalltown, Iowa. "At the time I began taking Lydia E. Pinkham's Vegetable Compound I was a telephone operator and had been suffering for two years with bearing-down pains and cramps in my legs, so I could scarcely walk. At times I could not do any kind of work on account of my trouble. My mother was taking the medicine for the Change of Life and she thought it would help me and it did. I have also taken Lydia E. Pinkham's Liver Pills. I recommend your medicines to my friends and I will answer all letters asking about them."—Mrs. P. E. EVANS, Box 149, Marshalltown, Ia.

Mrs. Norton's Experience "Before I started taking Lydia E. Pinkham's Vegetable Compound I was weak and nervous, and had such terrible dizzy spells that I could not stand some days. I had no appetite, was restless at night and felt all run-down. My husband got me a bottle of the Vegetable Compound and I am surprised at the results after taking it."—Mrs. CLARENCE S. NORTON, 18 Green St., Dover, N. H.

When "Tired Feeling" Hangs on—Beware of Chronic Fatigue

In thousands of cases that continual weak, tired, worn-out feeling, which rest doesn't banish and sleep doesn't correct—is an almost sure sign of debility due to chronic fatigue. Don't confuse chronic fatigue with the "healthy" fatigue you feel after vigorous exercise. Chronic fatigue comes from within. Your organs and muscles have become debilitated due to lack of sufficient organic iron in your blood. To conquer chronic fatigue you must strengthen your system by restoring this organic iron to your blood. But don't take the older mineral iron medicines which many doctors now say do little good. Take organic iron—Nuxated Iron—which is like the iron in your blood and like that in spinach and lentils. Unlike ordinary mineral iron it will not injure the teeth or disturb the stomach, but is promptly assimilated. Take Nuxated Iron for just 2 weeks and you'll be astonished how weakness and tired feeling vanish, and you feel a new tingle of energy and vitality. Money back if not improved. At all good druggists.

Not "How Much Can I get?"

When Mr. Penney laid the foundation for this Nation-wide Institution back in 1902, on receiving new goods he did not ask himself, "How much can I sell this for?"

He was not actuated by any such mercenary rule.

He asked himself, "How little can I sell this for and make my legitimate profit?"

He believed in the Golden Rule—and he practiced it!

Through all the intervening years, this same rule has maintained in the constantly increasing number of Stores of the Company.

It maintains in this store.
