Poets of State Meet In Salem

What was said to be one of the most interesting meetings of the entire year of the Northwest Poetry society was held on Saturday evening at Willamette lodge, the home of Mrs. Claudius Thayer on north Capitol street, when the Salem members of the society were hosts to leading poets of the state. Sixty two members of the society were present. The program was arranged by Mrs. Alice R. Webster of Portland and Mrs. Viola Price Franklin of the Salem group.

Dr. Carl Gregg Doney, president of Willamette university gave an address of welcome which included a delightful summary of the reasons for an appreciation of poetry. His address will be given shortly on the Oregon Journal book page. Miss Eleanor T. MacMillan, president of the society, responded to Dr. Doney's address. Miss Agnes E. Hines of Forest Grove read a number of her autumn poems during the evening. Mrs. Franklin brought greetings from the California poetry society.

Additional "high lights" of the evening were bits read by Theodore Ausland Harper from his new book, "Singing Feathers." Mrs. Anthony Ewler read a number of Mr. Ewler's newest poems. W. S. Baker gave a short talk and Bob Swayze, book page editor of the Journal, told of some of his experiences editing his page. Mrs. Webster who was in charge of the program given by the Portland group, called on those present for a bit of critical verse and a quotation from the classics.

An interesting feature of the evening was the singing by Mrs. Emory Riddell of a song written by Mr. and Mrs. Claudius Thayer to their daughter. The words of "To My Beloved" were written by Mr. Thayer when Miss Thayer was away at school. Later, Mrs. Thayer wrote the music. Mrs. Riddell also sang "Azure Wings," of which both the words and music were written by Mrs. J. M. Clifford.

The serving table was arranged in the dining room of the lodge. Miss MacMillan of Portland, and Mrs. Ruth Fargo of Salem, presided at the table. Assisting in the serving were the Salem members of the society. Mrs. Clifford was in charge of the dining room.

Mrs. F. G. Delano was hostess at an attractive affair last week when she entertained the Friday bridge luncheon club in her home. Pink and white chrysanthemums were used about the rooms and on the luncheon table.

Additional guests were Mrs. W. H. Caldwell of Fallon, Nevada, and Mrs. James I. Teed. Members of the club in the group were Mrs. U. Scott Page, Mrs. Elmer Dane, Mrs. Eric Butler, Mrs. P. E. Fullerton, Mrs. Leon W. Gleason, Mrs. E. A. Kurtz, Mrs. O. A. Olson, Mrs. Clare Vibert, Mrs. Harley O. White, Mrs. David Wright, Mrs. A. A. Gueffroy and the hostess, Mrs. Delano.

During the afternoon Mrs. Delano was assisted by Mrs. Caldwell and Mrs. Teed. High bridge honors were won by Mrs. O. A. Olson. Mrs. Leon Gleason will be next club hostess.

Mr. and Mrs. C. M. Inman entertained members of the Tano club at dinner on Friday evening followed by an evening of five hundred. Additional guests were Mr. and Mrs. P. E. Fullerton.

Chrysanthemums in shades of yellow and bronze centered the dining table with covers laid for Mr. and Mrs. Fullerton, Mr. and Mrs. Clyde Johnson, Mr. and Mrs. Roma C. Hunter, Mr. and Mrs. E. L. Knapphan, Mr. and Mrs. C. P. Patton and the hosts, Mr. and Mrs. C. M. Inman.

High five hundred score was won by Mr. Johnson. Mr. and Mrs. Johnson will entertain the club in their home on the evening of December 11.

The women of the M. E. church at Turner will hold their club at dinner on Friday evening at the Masonic hall on Saturday, November 5.

Brought Relief After 2 Years Suffering

"The makers of Tanlac will always have my warmest thanks, for I don't consider it any exaggeration to say I owe my life and present good health to Tanlac," is the striking statement of Andrew Groeschner, fireman. "Worth simply cannot express the misery I endured for 2 years from indigestion. At times gas pains would catch me around the heart and almost cut off my breath. These awful pains would last two and three hours. My nerves were all unstrung. I slept poorly and got in such a bad way that my days seemed to be shortening rapidly. "I tried everything, but disappointment was my only reward until I began taking Tanlac. I have been taking Tanlac off and on for a year now and feel so different that there's no room for comparison. I eat good and sleep good and feel that Tanlac has given me a new lease on life. "Tanlac is for sale by all good druggists. Accept no substitute. Tanlac Vegetable Pills recommended by the manufacturers of Tanlac.

The second play of the series of three being presented in Salem this year by the Moroni Olsen players will be produced at the Hellig theater December 9th, "The Ship," by St. John Ervine, will be given.

"The Ship" is an entirely different type of play from "Pygmalion," which the Olsen group gave in October. St. John Ervine's play is a drama which brings a definite message to its audience, though it does so in no straightforward or moralizing manner. "The Ship" is not devoid of humor, but it is not classed as comedy. Its tense situations are all relieved by a touch of the comic. It is highly entertaining and its conflicts leave an impression upon the mind of the viewer.

The principal character is old John Thurlow, played by Moroni Olsen. He and his son Jack disagree on many things. The younger man has a fondness for machinery, but the philosophy of the older one sees machinery only as the handwork of man. "I don't think machines matter so much, Jack. It's people who matter," John Thurlow says, and he is the largest shipbuilder in England.

The part of Thurlow's wife will be taken by Leona Thatcher, who played an important role in "Pygmalion." Miss Thatcher is adroit at character work and particularly fitted for portrayal of the quiet old woman who appreciates the full significance of life.

The fall ceremonial of Nydia temple of Daughters of the Nile, will be held Saturday, November 23, at 2 o'clock at Pythian temple. Members in the initiatory work will meet the recorder from 12 to 1:30 for class registration. The ceremonial dinner will be served at Multnomah hotel, when the class and members living in distant parts of the state will be guests of the temple. Members will make reservations with Mrs. Dow Walker, 142 Rutland terrace, and Mrs. Edward A. Burt, 143 Floral avenue.

The queen, Mrs. A. H. Averill, has just returned from visiting clubs of Daughters of the Nile at Salem, Eugene and Roseburg and reports that many of the members throughout the state will attend the ceremonial—Oregonian.

More than thirty members of the past matrons' association were guests of Mrs. Cordelia Cupper, Mrs. Rosa Pratt and Mrs. B. J. Miles at the home of Mrs. James Godfrey on north Liberty street on Friday evening. Guests of honor were Mrs. Reeves, recently transferred to Chadwick chapter, and Mrs. Cupper's daughter, Mrs. O. Schafer of Monument, Grant county.

Music and stunts in which each of the group took part were enjoyed during the evening. A lunch was served in the dining room attractively decked with carnations and chrysanthemums. Pink and white streamers shaded the lights.

The next meeting of the past matrons' association will be a Christmas party at Mrs. Godfrey's home on December 15. This will be a no hostess affair.

Mr. and Mrs. C. M. Inman entertained members of the Tano club at dinner on Friday evening followed by an evening of five hundred. Additional guests were Mr. and Mrs. P. E. Fullerton.

HOW TO GET RID OF MUSCLE-LAMENESS

Beach Patrolman Advises this Treatment. After exposure to dampness and cold, and after hard exercise, muscles will stiffen up and get lame. A beach patrolman at Atlantic City writes that he has found this treatment the quickest and most effective way to take out the stiffness and pain: "Just put on a little of Sloan's Liniment. Don't rub. It's the liniment—not the rubbing—that helps. You'll get relief right away. I've tried all sorts of other things, but nothing gets results like Sloan's." Hundreds of letters like this tell of the wonderful relief from muscular pain that Sloan's gives. Sloan's gets results because it doesn't just deaden pain, it gets at the cause. Right to the place that hurts it brings a healing stream of fresh, new blood. Quickly and surely it carries off the "fatigue-poisons," takes out stiffness and drives away the aches and pains. Get a bottle today and have it on hand. All druggists—35 cents.

HOW TO GET RID OF MUSCLE-LAMENESS

Beach Patrolman Advises this Treatment. After exposure to dampness and cold, and after hard exercise, muscles will stiffen up and get lame. A beach patrolman at Atlantic City writes that he has found this treatment the quickest and most effective way to take out the stiffness and pain: "Just put on a little of Sloan's Liniment. Don't rub. It's the liniment—not the rubbing—that helps. You'll get relief right away. I've tried all sorts of other things, but nothing gets results like Sloan's." Hundreds of letters like this tell of the wonderful relief from muscular pain that Sloan's gives. Sloan's gets results because it doesn't just deaden pain, it gets at the cause. Right to the place that hurts it brings a healing stream of fresh, new blood. Quickly and surely it carries off the "fatigue-poisons," takes out stiffness and drives away the aches and pains.
