

# COOKING SCHOOL AT SALEM ARMORY

## BEARCATS LOSE FIFTH STRAIGHT GAME TO PACIFIC

Playing defensive football throughout the game with the exception of the last few minutes of play, the Willamette football aggregation accepted a 23 to 0 defeat at the hands of Pacific university on Sweetland field Saturday afternoon, making the fifth successive win for the Badgers in the last five years that athletic relations have existed between the two schools.

During the entire first half and most of the second the Bearcat aggregation consistently punted on first down whenever they got the ball. Practically no line plunges and no forward passes were attempted by Willamette during the first half.

The Willamette line held consistently through most of the game, its only weak place seeming to be Robertson at left end, who had only begun out for practice for about a week. In the final stages of the clash, however, the entire line began to weaken.

Frequent exchanges of punts resulted in consistent gains for Pacific, which combined with the Pacific policy of kicking only as a last resort, as compared with the Willamette policy of kicking at the first opportunity, kept the ball in Willamette territory most of the time.

The Badgers tried several passes in the first half, failing to get the right combination. In the second half, however, they consistently penetrated the Willamette second defense, completing numerous passes without interference.

With the possible exception of the final touchdown, all the Pacific scores were earned. Taking the ball over for a touchdown toward the end of the first half, the Badgers followed, with consistent regularity, with three field goals, making the count 16 to 0. The final touchdown came as a result of an intercepted pass, Willamette attempting to pass from its own 10-yard line.

The game ends the 1925 football season for the Bearcats.

## Cooking School Awards

\$150.00 Prize for the Best Cake!

Can you bake cake? If so, there is a \$150 award waiting for you at the Capital Journal Free Electric Cooking School Baking Contest. If you expect to win the first prize, and of course you do, your cake must be the best one submitted to the judges of the Baking Contest. Expert pie bakers are also provided with means of showing their skill in the domestic art through the provision of the Baking Contest, to be held next Wednesday afternoon at the Armory.

Although the Free Electric Cooking School opens on Monday afternoon, November 23, the Baking Contest will not occur until Wednesday afternoon. This Baking Contest is divided into two divisions: Cake, and Pie. Any girl or woman may enter any one of these two divisions. Also she is privileged to enter one (only) article in both divisions. Judges as selected by the Capital Journal will judge these entries from their appearance, taste (which means they will be sampled), texture, flavor, evenness of bake, etc., according to the judges' score cards, provided by Miss Lowen. The judges, under this plan, absolutely do not know the name of any one entering this Baking Contest. Each woman entering either of the contests will be given a one pound can of Crisco.
