

# SALEM TO PLAY MEDFORD TEAM ON DECEMBER 5

Salem is to meet the Medford high school football team at Medford for the state high school football title if present plans do not fall. It became known last evening after an exchange of telegrams between the two schools.

Yesterday morning, principal J. C. Nelson received a challenge from the southern Oregon school to play them a game. Nelson answered that he was willing to meet them if the red and black team be assured of \$200 over and above expenses. The game would be subject to the sanction of the state high school athletic board, however, it will be sanctioned, it is thought.

A telegram last night from Medford states: "Will guarantee legitimate expenses for 20 men and \$200 for game at Medford December 5, wire reply."

"When we made the proposition to Medford, we had no idea they would meet our terms," said Mr. Nelson. "But we will certainly accept. The Medford authorities seem to think they will be able to get a crowd of 5,000 persons for the game. Its outcome, in my opinion, will not mean the state championship, for the Portland school would not acknowledge the claim. It will be just another good game." The game would go far toward determining the state championship, however as the Medford team has defeated every southern Oregon school it met by large scores and the two schools are in a better position to defend themselves than any other team, it is thought. Jefferson high, of Portland has topped the ladder in their league but have refused to meet the Salem team as they seem to be anxious to meet some other team outside of the state.

Medford has one of the best teams in its history. The game at Medford is expected to be the hardest fought game of the season for both teams but the locals are surely going with the determination of bringing home the long end of the score. Coach Huntington declares, however, that the team will be kept in the best of shape for the game, and all of our efforts will be pointed toward bringing back a victory. The members of the team have expressed themselves as glad of the chance to show the people of Medford their wares, and declare that they will keep themselves in shape for the game. Plans will be developed for either a caravan or a special train to carry Salem rooters to the game. It is hoped to get a large delegation of rooters to accompany the team.

For the first time in the history of New York city more than 1,000,000 children attended the public schools on the opening day.

## When it's Thanksgiving—and the teams are drawn up for battle on the gridiron—when the first touchdown goes over and the grandstands rock with frenzy —have a Camel!

WHEN the college bands are playing to make your blood tingle. And the cheers and answering songs sweep back and forth between the opposing thousands of rooters. When, following that tense hush, a swift player darts out from the flashing formations on the gridiron and races across the goal for the first touchdown—oh, man, or superman, when the taste of joy is too keen to endure—have a Camel!

For Camel is the boon companion of your joys. Roam as far as you will from the prosaic things of every day, Camel will be the truest smoke friend you ever had. Not a tired taste, not a cigarette after-taste, not a regret in a million Camels! Just full and fragrant smoke contentment, just added zest in living.

So when your own college's team tears through for its first smashing goal this Thanksgiving Day—when life seems fullest of the frenzy of happiness—joyfully apply the fire and taste the smoke that's loved by millions.

Have a Camel!

Our highest wish, if you do not yet know Camel quality, is that you try them. We invite you to compare Camels with any cigarette made at any price.  
R. J. Reynolds Tobacco Co.

Into the making of this one cigarette goes all of the ability of the world's largest organization of expert tobacco men. Nothing is too good for Camels. The choicest Turkish and domestic tobaccos. The most skillful blenders. The most scientific package. No other cigarette made is like Camels. No finer cigarette can be made. Camels are the overwhelming choice of experienced smokers.
